

“I will **POUR** out  
 My *Spirit*  
 on **ALL** flesh.”  
 Joel 2:28

**Your goal this week:**

Go out into your world living in a way that draws others to our Lord, Jesus Christ, the Savior of the world, praying that God gives you the opportunity to bless others in His name.

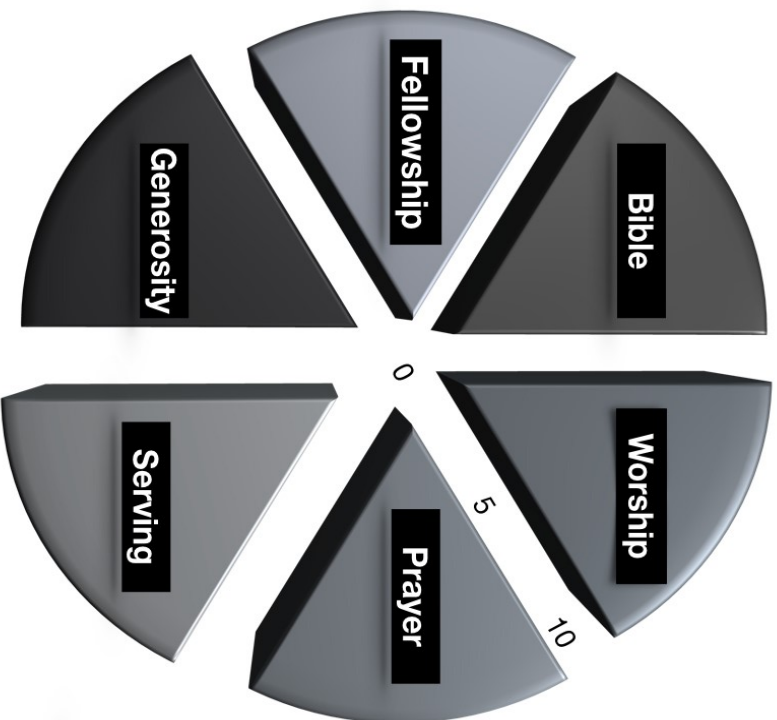

**Behaviors of a Healthy Disciple**

A lifelong, healthy discipleship journey begins with an honest assessment of where you are now, and then taking daily steps to grow in every part of your spiritual life as you become what Jesus created you for:

To help you in this process, put a dot on each spoke of the wheel to show where you currently, *honestly*, are: 0 being “I’m not doing it at all,” and 10 being “It’s a regular habit and *priority* in my life.”

Remember: you were born to make an impact in this world. But first, you have to learn how to lead yourself in following the ways of Jesus. We want to take that journey with you and help you lay a foundation that is unshakeable, and then help you build on that foundation.

Everything we do at Latrobe First Church of God is intended to help you grow in all 6 spokes on the wheel.

- Bible** Spending time daily reading and studying Scripture and obeying His Word.
- Worship** Spending time with God in corporate and private praise & worship
- Prayer** Spending time with God in corporate and private prayer
- Serving** Using the gifts and talents God has given you to help others and build His Kingdom
- Generosity** Giving financial resources to Kingdom causes to reach broken and hurting people.
- Fellowship** Engaging with other believers sharing life and faith
