

CGGC mission statement: *Maximizing our collective potential for Kingdom impact.*

Values Defined: Values are the shared convictions that guide your actions and reveal your strengths. They are springboards for daily actions and filters for decision-making. Values represent the conscience of the CGGC. They distinguish your philosophy of ministry and shape your culture and ethos.

Values Articulated:

Because we seek to obey Jesus Christ and His Word, we value:

1. **Vital Connection** – because we die to self and grow to maturity through meaningful relationships.
2. **Total Participation** – because we are all qualified and commissioned to make disciples.
3. **Global Mobilization** – because we must send the Gospel to places both near and far.
4. **Daring Action** – because we are compelled to risk greatly for and stand secure in God.

Your goal this week:

Go out into your world living in a way that draws others
to our Lord, Jesus Christ, the Savior of the world,
praying that God gives you the opportunity to bless others in His name.

**DISCIPLE: Someone who is called by Jesus, chooses to follow Him,
and is being transformed to become like Him for His mission.**

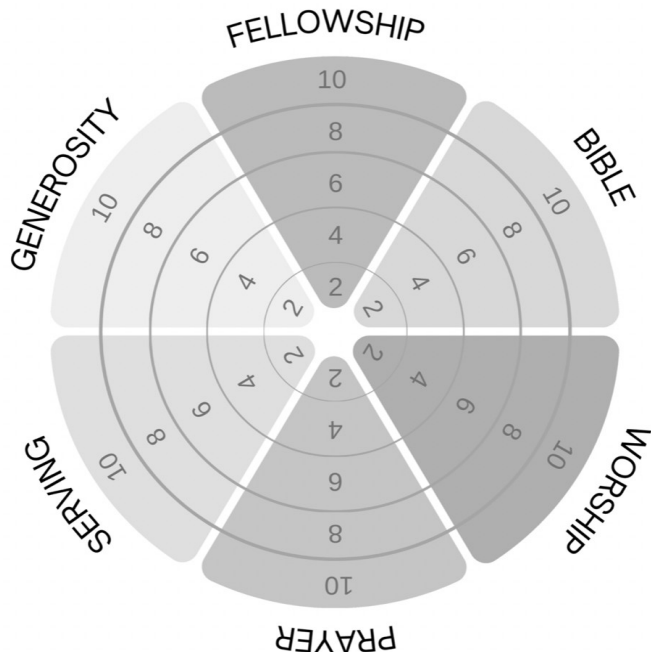

Behaviors of a Healthy Disciple

A lifelong, healthy discipleship journey begins with an honest assessment of where you are now, and then taking daily steps to grow in every part of your spiritual life as you become what Jesus created you for.

To help you in this process, put a dot on each spoke of the wheel to show where you currently, *honestly*, are: 0 being "I'm not doing it at all," and 10 being "It's a regular habit and *priority* in my life."

Remember: you were born to make an impact in this world. But first, you have to learn how to lead yourself in following the ways of Jesus. We want to take that journey with you and help you lay a foundation that is unshakeable, and then help you build on that foundation.

Everything we do at Latrobe First Church of God is intended to help you grow in all 6 spokes on the wheel.
