MESSAGE FROM OUR CAMP DIRECTOR

Hi! My name is Tiffany Cook I am originally from Marshall, Mo but I currently reside in Overland Park, KS. I am a substitute teacher at Ward Park Preschool in Kansas City, Mo. I am also a mom to five wonderful children ages 12, 10, 5, 3, and 1. In my free time, I enjoy reading a good book, sewing, crocheting, gardening, and love spending time with my family!

Working with kids has always been my passion. My favorite thing about working with children is having the opportunity to watch them grow and develop. I can honestly say that each day with children is a learning experience for me as much as it is for them!

I hold a Master's Degree in Psychology from Kaplan University and I am currently enrolled in the Early Childhood Education Master's Program at Capella University. Over the past 4 years, I have had the privilege of volunteering in a variety of programs such as USC Outreach Program, Hands to Heart, and helping serve in the children's ministry at my local church. My volunteer work has allowed me to give back to the community and help both children and families in need. My experiences enabled me to understand and comprehend a child's versatility and diversity, allowed me the opportunity to interact and develop a relationship with children, as well as taught me how to be creative. In addition, my experiences have equipped me to be able to deal with circumstances that are unfavorable, be open-minded, and able to adapt quickly to the environment.

I am very excited to be part of the Youth Power Summer Camp Program. I look forward to teaching your children and making new relationships with you all!
