

# JOIN US IN THE HOLY LAND

September 6-14, 2013 or May 2-10, 2014

Are you feeling called to join a movement of Christians that are genuinely Pro-Israel and Pro-Palestine, advocating for peace, security, freedom and dignity for all the people of the Holy Land?

## THIS IS YOUR INVITATION

World Vision is inviting senior pastors, and one other key church member, to join other leading U.S. pastors to visit the Holy Land. Discover how your church can partner with World Vision in Jerusalem, West Bank and Gaza to develop sustainable solutions to poverty and injustice.

## A TRIP WITH A PURPOSE

Join us on a trip to see:

- ▶ World Vision's community development model
- ▶ World Vision's Palestinian Church Engagement Initiative
- ▶ An understanding of sustainability and local empowerment as well as a biblical framework for a holistic view of development
- ▶ How child sponsorship improves the well-being of children, families and their communities
- ▶ How you can empower Palestinian and Israeli voices to advocate for peace and justice

## THIS IS JUST THE BEGINNING

Your partnership will be a demonstration of God's love by supporting and encouraging communities in the Holy Land—while transforming your church at home!

Please contact Amy Hadley at 1.800.478.9981 or [ahadley@worldvision.org](mailto:ahadley@worldvision.org) for a trip application or more information.
