Prayer needs: The civil war in Syria continues to escalate, leaving an increasing number of families in chaos. An estimated two million refugees have fled to Lebanon, Jordan, and surrounding countries & more than four million people have been displaced within Syria itself. Nazarenes in all three countries are reaching out to support Syrian families who have moved into their neighborhoods & are in regular need of food, medicine, & household items.

Volunteer missionaries consistently say how much they depend on the prayers of faithful brothers & sisters around the world. Would you remember our Nazarene personnel serving into their neighborhoods & are in regular need of food, medicine, & household items.
