### COMMUNITY:

- National Sanctity of Human Life Day** will be celebrated today, January 18. National Sanctity of Human Life Day is an observance declared by several U.S. Presidents who opposed abortion. President Ronald Reagan designated January 22, 1984 as the first National Sanctity of Human Life Day. The date was chosen to coincide with the 11th anniversary of the Roe v. Wade Supreme Court case that first recognized the constitutionally-protected status of abortion in the United States. Reagan issued the proclamation annually thereafter, designating Sanctity of Human Life Day to be the 3rd Sunday in January, which represents the closest Sunday to the original January 22 date. His successor, George H. W. Bush, continued the annual proclamation throughout his Presidency. Bush's successor, Bill Clinton, discontinued the practice throughout his 8 years in office, but Bush's son & Clinton's successor, George W. Bush, resumed the proclamation & did so every year of his presidency. (with material from Wikipedia)
- The March for Life 2015** will be held on Saturday, January 24, at 1:00pm beginning at Julia Davis Park with the Rally following at the Capitol. The Rally will commence on the steps of the Capitol building immediately following the march. Please march with us to take a stand against 42 years of abortion on demand.
