CARE HOUSE MINISTRIES

We are trying something new with our donation box located in the FLC foyer. Each month of the year, we will request a specific food item to be donated for that entire month. The goal is to stock up the shelves with food that suits the season. This also makes it easy for donors to know what is needed. We would like to consider May's target food item as "Peanut butter & Jelly". All other donations are accepted year round as well. Spread the word & let's continue working together to build a better community! Thank you for all of your continued support!
