Give the Gift of HOPE

This Christmas season is a good time to give a gift that can truly change a life!

I received a Nazarene Compassionate Ministries gift catalog from Debra Voelker, Wa-Pac District NMI President. She has put together this catalog with 20 gifts ranging from \$1-\$75. Your gift will help those who need it most to feel the loving touch of Christ. You can also give a gift certificate in honor of a family member or a special friend.

Some selected ideas from the Catalog:

Haiti Hot Lunch \$20

The Haitian proverb "Sak vid pa Kanpell!" (an empty sack can not stand) is appropriate for the children in Haiti struggling to eat in a country of unnecessary starvation and malnutrition. Help keep a child in school for a month where they will receive a hot, nutritious meal each day—often the only food they will have to eat that day. (ACS 1002)

African AIDS Orphans

The AIDS pandemic in Africa has left millions of children orphaned and alone. Nazarene Compassionate Ministries help place these children with loving Christian families. Livestock is provided to give the care-giving family milk or eggs and meat. The first animal offspring is given to a needy neighbor so the blessing is multiplied. (ACM 1571)

Piglets \$12

Chicken \$13

Goat \$18

Many orphans in Ukraine have to share a pair of shoes in order to go to school. (ACM 1725)

Shoes \$20

If you choose to give a gift, it is very easy to do. This link to the NCM Catalog will provide you with other options and directions for giving: <http://intermountaindistrict.org/ministries/nmi>

* All monies given go 100% to the item you select. What a better way to express your love than with a gift that truly makes a difference!

Merry Christmas with blessings and joy to all.

New Staff House at Trinity Pines

Work is progressing on the second staff home at Trinity Pines. Some modification has been made to the original plan that will now allow for additional housing to be made available on the second floor - perhaps for college students or support staff. The second floor will have

an outside entrance and will include a restroom and small kitchen area. The outside was completed and boxed in prior to wet cold weather and now construction will continue inside during the winter with volunteers. If you are interested in helping, please contact Brian Kendall at the camp at 208-382-6200.
