

Online Giving

SUPPORTING A MINISTRY OF HOPE...

Frequently Asked Questions

1) Will my bank account be safe if I use the online giving service?

Yes, online giving is a safe payment option. Your account information is encrypted using the latest industry standards. No financial information resides on our servers. Look for this logo at the bottom of your financial page.

2) Why do you not accept credit cards?

Because Nampa First Church teaches and encourages debt free living and giving, we have decided not to allow gifts to the church to be charged on a credit card.

3) If I set up recurring monthly gifts, can I make changes to the amount or cancel the transaction if my financial situation changes?

In order to make changes to any transactions, simply call the church office and we will make those changes for you.

4) What is a routing number and where do I find it? What is my account number?

Your routing number is typically the first 9 digits found on the bottom of your check. Your account number is the second 8 digits on the bottom of your check.

5) What if I don't see the category I want to give to?

Simply type in what you want your gift to go to (i.e. Deputation –include missionary's name, Project Shoebox, Jesus Film, Compassionate Ministries, etc.)

6) Can I designate one transaction to be divided between two categories. For example, a \$100 gift to be divided \$50 to Tithes & Offerings and \$50 to Faith Promise?

No, you must create a separate transaction for each category/ministry area designation you want to give to. In the example above, you would need to create one transaction of \$50 designated to Tithes & Offerings. Then create a separate transaction of \$50 designated to Faith Promise.

We know that you may have more questions or concerns. Please do not hesitate to call the Nampa First Church Office at 466-3549. Your generous and consistent giving is appreciated.
