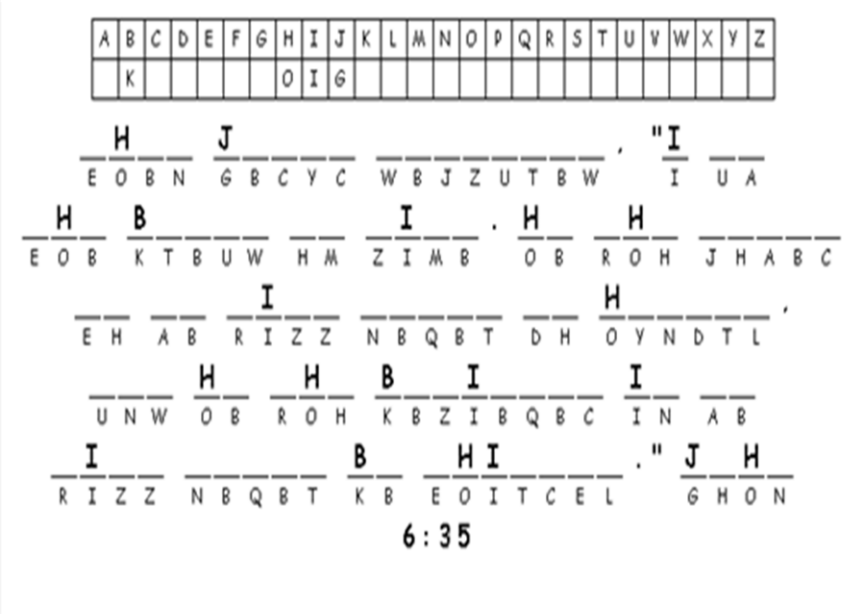
The Bread of Life: Food for Comfort
January 22, 2012


Hello Treasure Cove fans and followers! Did you know the 5th and 6th graders are responsible for taping Sunday's Treasure Cove service?
You can check out their efforts by visiting the children's ministry link at the www.nfcnaz.org. After you watch the recording, you can give these student leaders some encouraging comments. Many of these kids will have an opportunity to minister to others during the annual Seattle Musical Mission Trip later this year. Your positive comments will give them the confidence they need to speak up about Jesus—the eternal comforter.
