WHAT TO BRING

Disposable diapers, bottles or sippy cups, pacifiers if needed, and a change of clothes are all helpful. Please LABEL everything you bring with your child's name. We do our very best to make sure each child goes home with their own belongings.

Baby Church & Preschool Staffing

Only the Best...that means our parents staff our Nursery & Preschool Departments! Parents if you have a child/children in either department, we ask that you work one Sunday each month on a rotating schedule.

Benson's Buddies

Benson's Buddies is our Kindergarten & Pre-K Wednesday night class. Our teachers do a wonderful job of combining activities with Bible study. This program teaches children Christian character traits with fun interactive activities that reflect the fast-paced world we live in. They take several field trips during the year. This is an extremely fun class for the kids!

Drop-Off & Pick-Up Procedures

- ❖ Each parent will receive a pager when dropping off their little one. To pick up your child, please return the pager to the caregiver. You must have your pager to pick up your child!
- ❖ Please make good-byes quick! You are more than welcome to watch your child through the windows. For the safety of all the children, we ask you to not open the doors at any time or go into the rooms, especially between services.
- ❖ Please pick up your child immediately following each service. Children look for parents when they know it is time to leave and often feel panic when other parents have arrived and you haven't.
