Traveling Chair**  
The Inspiration for the  
1st Auction in 1962

When the school separated from NNC Ernie McNaught's father, Cecil McNaught, an original member of the Nampa Christian School board, was serving on the board when the idea of a fund raising auction came up. Someone had the little metal chair at the meeting and he and Ray Sauer got into a bidding war over the chair.

When Ernie's dad came home with the chair and told his wife, Nema, that he paid \$25.00 for it, she was not happy. (That was a weekly household allowance for a family of 7!)

Nema saved very few things. When she died Labor Day Weekend, 2007 (19 days short of 100), everything she owned was in her one room at Park Place Assisted Living. For some reason she had kept the little chair.

A month or two before she passed away she asked Ernie if he thought Nampa Christian Schools could find a use for it or would be able to get anything out of it. She still believed in our Christian School and wanted to help if she could. In her memory we are passing the chair along to those who believe in the school as much as Nema did and as a legacy to her and to our school.
