According to the Articles of Incorporation, membership in the Corporation terminates after the Annual Meeting. Therefore, all persons qualified to be members (see qualifications on the form above) who wish to be members of the Corporation must annually sign a new membership enrollment form. If you wish to be a member, sign the form above and return it to any NCS office. Thank you! (This will qualify you for membership and voting through the 2012 Annual Corporation Meeting. At that time you will have to repeat the process.) You may also pick up additional forms in any NCS office and submit no later than seventy-two (72) hours prior to the Corporation meeting.
