

## Introducing Nampa Christian Early Childhood Center's Summer Program-ages 2-5

### A great summer experience starts here

Solve your summer scheduling struggle, and give your child a memorable experience that includes adventures with friends and trusted staff members. The children will have so much fun; they won't know they're learning! At our summer program, children are in a safe environment they know and love, which makes learning more effective and fun.

We know the best kind of learning happens when children are having too much fun to notice. We will be offering an all-day, all-fun program with flexible scheduling options to accommodate your busy summer, all in a safe and familiar environment they know and love. Our summer program will offer many exciting activities including daily Bible lessons and activities, science experiments, math madness, sport camps, summer reading program, fun Friday adventures, and much more. We will also be providing tutoring opportunities for those parents wanting their children to keep up on their academic skills over the summer.

# Program Highlights

## Academic

### **Summer Bridges**

Starting in the month of July we will begin our "Summer Bridges" program. This provides your child the opportunity to get a jump start on the upcoming school year by reviewing and practicing previously learned concepts.

### **Summer Reading Program**

The daily schedule will include a 30 minute reading time. Students will have access to our elementary library for weekly check out as well as occasional trip to the Nampa public library.

### **Tutoring**

Upon request tutoring will be included as a part of the full or half day option, or may be utilized as an hourly rate for those not attending the summer program, but just looking for tutoring.

## Enrichment Classes

Offer children in-depth exploration into exciting topics such as math, science, sports camps, cooking, swimming lessons, and Karate classes to name a few. Children benefit from projects that test their knowledge, help build new skills, and introduce them to community service.

## Fitness

Daily-fitness activities are critically important for children as they grow and develop. In the Nampa Christian Adventure program, children participate in fun activities; learn about the importance of fitness, and adopt healthy habits for life.

## Fun Friday

Every Friday will be dedicated to a new and fun adventure. This will include either a field trip off campus or summer fun activities here on our own campus. The costs for all field trips are included in the daily rate.

If you will be interested in our "Nampa Christian Adventures Program", please fill out the registration form, and sign your child up as soon as possible. This will be a fun-filled summer they will never forget.
