

Biblical Worldview

A Biblical worldview is another foundational component of the Nampa Christian Schools' Christ-centered focus. The Biblical worldview encompasses Biblical integration, development of moral principles, encouraging outreach to others, being service minded, a value-based educational emphasis, consistent demonstration of open prayer, and becoming a person of Christian character.

"After attending college, I have come to realize how Nampa Christian played an intricate role in training me how to be a smart Christian not only in college, but in life. It provided me with knowledge on how to defend my faith and how to share my faith with others. Nampa Christian equips their graduates with tools that they can take beyond the classroom and beyond degrees."

Tiffany Taylor, 2006 NCS Graduate, student at Roosevelt University

Mission Statement

Nampa Christian Schools is a non-denominational, biblically based, learning community that partners with Christian families to develop a Christian worldview, promote academic excellence, and prepare students (PreK-12) for a lifetime of faithfulness to Christ.

Academic Excellence

A Christ-centered focus is the anchor ingredient of an education at Nampa Christian Schools. In this Christ-centered focus, academic excellence is a primary building block. Academic excellence includes the general goals of high academic standards, individualized instruction, extraordinary college placement, concurrent credit offerings, ISAT and ACT scores well above state averages, accelerated learning and high expectations in the classroom.

Extra-Curricular Opportunities

The offering of extracurricular opportunities allows Nampa Christian Schools to emphasize the development of well-rounded students within a Christ-centered focus. There is a high priority to seek excellence in the areas of leadership opportunities, drama, interscholastic athletics, music, community service activities (e.g., Key club), academic bowls, and science competitions.

"As a student at Nampa Christian, I was able to indulge in many activities such as choir, football and drama. What I learned in each of those groups was that we were more than just a team, we were a family. At Nampa Christian, I was able to grow mentally, socially, physically, and most important . . . spiritually."

Elias Kamplain, 2008 NCS Graduate,
student at Northwest Nazarene University

Church-Family-School Partnership

Nampa Christian Schools Christ-centered educational process is enhanced by a church-family-school partnership. This encompasses a safe learning context, staying connected with families, partnering with churches, cultivating a sense of belonging, developing leaders, creating a supportive environment and encouraging parental involvement.

"As a result of partnering with Nampa Christian, our church, and home in the education of our kids, they have been challenged and have grown tremendously in their Bible knowledge and their understanding of Biblical truths. The staff and teachers have a special interest in the kids' spiritual well being."

Jeff and Tracey Antosh, parents of Matthew,
Abigail and Samuel Antosh
