

## Program Highlights

Students enrolled in the International Student Program will be provided a quality education in a safe, nurturing environment. The success of every child is a strong commitment of our faculty and staff.

Some of the highlights to the International Program include:

- I-20 for entire high school career while attending Nampa Christian Schools.
- Full immersion program.
- Immediate matriculation.
- Direct studies of English language (conversation, reading, and writing).
- Academic counseling.
- Participation in extra-curricular activities, including athletics, performing arts, fine arts, clubs, leadership, field trips, and more.
- Opportunities for missions and outreach.
- Small class sizes.
- Access to technology and computer courses.
- Structured environment and family atmosphere.
- Host families within the school community.
