## PRESIDENT'S MESSAGE

Pam Neal,  
President

### **Together We Can -- Together We Will**

A year ago when we met in Wichita and I spoke about this theme for the next two years, we never dreamed of all the challenges we have faced since then. We never imagined a worldwide pandemic that has taken countless lives and completely changed our world, the unemployment rate to skyrocket to levels not seen since the Great Depression, and large scale racial unrest resulting in riots and demonstrations that have destroyed property, injured many people, and taken lives. Now more than ever, we need each other to help get through these difficult times. I still believe that together we can work through all of these difficulties fulfilling our purposes as Chaplains to encourage and support all law enforcement officers and our communities in crisis.

I know that many of you are facing challenges every day as you serve as Chaplains in your respective agencies. Sometimes we work so hard to help others with their stress that we forget about our own stress. Chaplains are susceptible to both cumulative and critical incident stress. When your cup is full, who do you turn to for help?

For many years, this has been a concern for me, and I have wanted to offer help to our Chaplains. For several years now, we have offered Peer Support to our Chaplains at the ATS. What about the other 51 weeks of the year. Beginning Monday, August 3<sup>rd</sup>, ICPC offers to its members Peer Support 24 hours a day by a Peer Support Hotline. Chaplains trained in Peer Support will man the hotline 24 hours a day, 365 days a year. As an ICPC Chaplain, you have access to Peer Support when you need someone to talk to. Thank you to Bob Johnson, Chair of the Peer Support Team, for your leadership of the ICPC Peer Support Hotline. Sometimes the Chaplain needs a Chaplain. Please see the Hotline number elsewhere in this Journal. It is a benefit of your ICPC membership.

Back in late March when the pandemic was just beginning, the Executive Committee met to make a decision about the ATS in Orlando. Because of our contract, we had only a small window to make a decision about whether to postpone the ATS or not. At that time, everyone was hopeful that the COVID-19 would be history by July. Fortunately, the Executive Committee made the correct decision for the benefit of ICPC. Thank you Ronnie White, Jim Bontrager, Cyndee Thomas, Bob Heath, and Ruby Kinlaw for helping to make this difficult decision. I am so grateful for this dedicated group of men and women who are your Executive Committee.

*(Continued from page 2)*

Shortly after the decision was made to postpone the Orlando ATS until 2022, I received a call from Education Committee Chair Mark Clements with an idea. We have talked about online training for years but have not been led to give it a try. Mark had the idea of offering six online classes during the week that would have been the ATS. Since it was our first attempt at online training, there would not be a charge for the training. This was completely new territory for ICPC, and we had no idea what to expect.

Mark put together what was called "Virtual Training Seminar" or VTS. The classes were offered on Tuesday through Thursday, July 14-16. Two classes were offered twice each day. Attendees registered online with the ICPC corporate office and received links to the training. Each day began with a welcome and devotion by me and then a message about ICPC. The Membership Committee led by Frank O'Laughlin and Public Relations Committee led by Richard Hartman made an outstanding video that was shown that week and will be used for future recruiting for ICPC. Thank you Frank and Richard and the chaplains who participated in making the video. Chaplains and law enforcement agencies were invited to register for the training.

I don't think anyone anticipated the overwhelming response we received for the training. Almost 1,000 people registered for the classes. Attendees were able to make comments or ask questions during the training. The comments were overwhelmingly positive with several who attended asking about membership in ICPC. The first ever ICPC VTS was a tremendous success as well as helping to fulfill our mission of "providing dynamic education and support for all law enforcement chaplains."

Thank you Mark Clements for your vision and leadership in providing the VTS. Thank you Frank O'Laughlin for your technical assistance in providing the classes. Thank you Larry Carter, Chris Dotson, John Gallups, Eric Riddle, and Mindi Russell for presenting excellent classes. Thank you to Ruby Kinlaw and Dave Brown for the mountain of work to register everyone and all the extras to make the classes available and follow-up. Thank you to all those who registered and attended the VTS. I am so grateful for this successful effort that made the loss of the ATS a little easier to bear.

Nothing can take the place of an ATS. Beside the great training, fellowship and networking are highlights each year. I missed so much the opportunity to see each of you and spending time with our ICPC Family. I missed seeing everyone.

One of the highlights of the ATS each year is the presentation of the John A. Price Awards for Excellence in Chaplaincy. Two recipients were selected in January and would have received the awards at the banquet on Thursday evening at the ATS. Instead, we announced the recipients at the ICPC Business Meeting on Tuesday, July 14<sup>th</sup>.

Please join me in congratulating Chaplain Daniel Coffey with the Indiana State Police and Chaplain Mark Dickens with the Edgecombe County Sheriff's Office. Both of these Chaplains have exhibited exceptional dedication to serving men and women in their respective agencies, and we are grateful for their years of excellence.

Join me in congratulating Chaplain Coffey and Chaplain Dickens on receiving the prestigious John A. Price Award. Personal presentations will be made in a few weeks at their respective agencies. Feel free to send them a note of congratulations since we were not able to make the awards at the ATS this year.

Congratulations Chaplain Coffey and Chaplain Dickens. Thank you for your faithful service.

*(Continued from page 3)*

It was also important to carry on the business of ICPC that we would usually conduct during the ATS. The ICPC By Laws allow meetings by electronic means. Thanks to the efforts of Ruby Kinlaw and Dave Brown, we were able to conduct two Board of Directors Meetings, a Business Meeting for the membership, a meeting of Regional Officers, and a meeting of Committee Chairs during the week of July 13<sup>th</sup>. A budget was adopted, By Laws changes made, and other business conducted at these meetings. Ruby and Dave have worked tirelessly to bring all ICPC members onboard with Office 365 making electronic meetings possible. Thank you to Ruby and Dave and to all of you who joined us for those meetings.

Thank you to the ICPC Board of Directors for all the work you are doing to make sure the work of ICPC continues even in these difficult times. Regional Officers and Committee Members continue their work throughout the year addressing issues and finding new ways for ICPC to be effective in fulfilling our mission. I am grateful for each of you and your dedication to ICPC and the law enforcement chaplaincy.

In September, the Nominating Committee will begin its work for the election of Officers in July 2021. If you have an interest in serving or would like to nominate someone, take a look at the requirements and let us know. I am hopeful that we are able to hold the election in person in Scottsdale, Arizona next July.

As we all work together for the good of ICPC and chaplains everywhere, we recognize the recent loss of income due to cancellations of the ATS and RTSS. Much of the ICPC income comes from these events. Thank you CFO Bob Heath for your brilliant proposal for a campaign for us to contribute to ICPC to help with the shortfall. You can read more about [Get Our 6 Campaign](#) elsewhere in the Journal. Bob has challenged all of us to give \$10 a month or more to help ICPC. Most all of us can afford at least \$10 a month. Please consider how you might support ICPC financially and be part of the Get Our 6 Campaign. Help us keep ICPC strong.

In the meantime, please know that I am praying for you daily. The ICPC Family is the most special group of people that I treasure dearly. While I greatly missed being with you in Orlando, I am already looking forward to the [2021 ATS in Scottsdale](#). Paul Ellis is already working hard to make sure it is in his words, "the best ATS ever." Thank you Paul for Chairing the 2021 ATS Committee and your work to make it a wonderful and memorable experience.

May God be with each of you and bless you and your families. Keep on pushing forward through these crazy times always giving your best efforts to help others. I believe that law enforcement chaplains are the most special people in the world. You are making a difference in peoples' lives every single day. I am looking forward to the day we can look back on 2020, and talk about how incredibly hard it was, but how wonderful it is to be on the other side of it. We can do it. Together We Can -- Together We Will.

Blessings,

# JOHN A. PRICE EXCELLENCE IN CHAPLAINCY AWARD

This award recognizes and honors excellence in law enforcement chaplaincy of an ICPC member at the local level. The recipients must have demonstrated extraordinary service in support of law enforcement chaplaincy work in a small agency (less than 100) and/or in a large agency (101 or more).

## 2020 RECIPIENTS OF PRICE AWARD

Chaplain **Daniel Coffey** (pictured to the right) with the Indiana State Police

Being the staff chaplain to the 1330 sworn officers in the department, 470 civilian members of the ISP Family, the 1 000+ retirees, and coordinate the ISP Volunteer Chaplain Program that has some SO volunteer, district chaplains. He is also responsible to coordinate the selection of members and training activities of the ISP Critical incident Stress Management (CISM) Team. This consists of three teams about 50 mbrs and often includes other LE agencies, full time or volunteer fire departments, and EMS agencies.

Another area of responsibility is to coordinate the ISP Employee Assistance Program. This is to help the ISP employees get the help they need when they need it. This is another one of those tasks that Chaplain Coffey must be ready for 24 hours a day, 7 days a week • and 365 days a year.

His compassion and humility, in the midst of tragic and hopeless situations, day and night, he remains constant and faithful in his service to law enforcement chaplaincy.

Chaplain **Mark Dickens** with the Edgecombe County Sheriff's Office.

Chaplain Dickens has been with our office just a little over 10 years and is instrumental in the motivation of our administration, deputies and detention officers. He shows a willingness to advance his knowledge where it pertains to, but not limited to, law enforcement and its mission. This is quite evident whereby he's just completed the Crisis Intervention Team training for certification. Our Chaplain participates in all of our ceremonies graduations and more. Dr. Dickens has been invaluable in death notifications whereby he gives his all. We had an officer killed in the line of duty. Dr. Dickens was present at the home of the officer's mother and family to give notification. He stayed with them throughout most of the night to insure their needs were met. He then returned the next day to assist in the preparation of the arrangements and in communication with their pastor throughout the whole process. He adopted a program, "Shield a Badge with Prayer." to be initiated on behalf of our office staff and deputies to be connected with the community and area churches. This program allows the community and churches alike to reach out and pray for each one and remember them on their birthday and any other special day of recognition. Chaplain Dickens prays with all the leaders of the department and also counsels those that seem to have difficulty at times. He *Serves Edgecombe County with Integrity Professionalism and Respect and brings great credit upon himself and Edgecombe Sheriff's Office.*

# Possibilities

## Ronald White, President-Elect

There have been some major changes in our lives since the Covid-19 pandemic hit us in March 2020. I want to encourage you. I want you to look at something right now. Think of some major goal you want or maybe of one that you are already working on and you have experienced a lot of set-backs, a lot of defeats. You've experienced a lot of disappointments. Maybe you have already given up? Maybe you just need a little inspiration, a little encouragement to get back into focus again.

Here's what I want you to look at! There are winners. There are losers. There are people who have not discovered how to win. All they need is some coaching. All they need is some help and assistance, just a little support. All they need is some insight, or different strategy, a plan of action to make some adjustments that will open up the key to a whole new future to them that will give them access to the unlimited power that they have within themselves. That's all that they need.

So, what I want you to do is think about something you want for YOU, that's real for YOU, that's important for YOU that will give your life some special meaning and power. You see 3 years ago when I started in the executive leadership of the International Conference of Police Chaplains I would not have been able to make the mental leap that I would be where I am right now if I had not thought it to be possible. I don't want you to begin to psych yourself out. I want you to be able to say something to yourself that will enable you to maintain a level of integrity with yourself that when you say this, even when you face tremendous set-backs, will be a benchmark to keep you moving forward, experimenting and readjusting your strategies and your plan of action.

When you have an idea you want to act on, you might not have the money, you might not have the education, you might not have the support or resources you need. Say, it's Possible! That's all I want you to do when you look at your goals. Just say to yourself every day it's Possible! Just say that every day to yourself! It's Possible! What does that do? It begins to change your belief system. The way in which we operate is a manifestation of what we believe what's possible for us. Whatever you've done up to this point, all that it really is, is a duplication, a reproduction of what you believe subconsciously that you deserve and what's possible for your life. Most people operate out of their personal history, their memory, things they've done, things they've experienced, things they've seen, things they have observed. When something happens to them, what they do is begin to believe that that's the way it is, that's the way it's always been and they can't see the possibilities of it being any different. Look at this fact: before April 1954, the common belief, the universal belief, because it had been tried again, again, and again, and people had failed. The belief was that man was not physically capable of breaking the 4 minute barrier, that he could not run a mile in less than 4 minutes. That was the belief on the planet. It had never been done. But what happened was Roger Bannister came along and broke the 4 minute barrier! Now, here's what significant about that. Since that time many people have done it. What changed? Here's what happened when they got on the track. They knew that it had been done! Because they knew it had been done, there was a new belief about this barrier, about this goal that was unreachable. Those people got in the race believing, knowing in their heart that someone had done it. That it's Possible! That they could do it!

I am saying that if you knew or know anybody that had some goal, some dream, something that they wanted to do and they did it then you can do it! I am saying that you know in your heart that if someone has done it, THEN YOU can do it! It's Possible! If someone can make their dream their goal become a reality, then it's possible you can make your dream become a reality! As you begin to look at where you want to go begin to embrace that it's Possible!

I am blessed and highly favored! There are some positive things going for me. I've got some good in me. It's possible that I can bring my goodness out here in the universe. You can do it, too! It's Possible!

## ICPC Line of Duty Death Memorial Presentation

As an organization, the International Conference of Police of Chaplains (ICPC) strives to honor those who have fallen in the line of duty, preferably through an in person presentation of a Memorial to both the fallen's family and to the agency they served. Recognizing that people grieve in different ways, the wishes of both the family and the agency will be the guiding principle in carrying out this effort. Our commitment of support is to whatever way they deem the most beneficial to all involved.

The loss of an officer shakes the law enforcement family to its very core. Natural families are stripped of their dearest members, agencies of those who linked arms in the battle against evil and communities of the heroes that served them. It's during this time that words should be few, the ministry of presence everything and honor the overarching theme of the day.

It's in that spirit we submit the following policy for ICPC members assisting the organization in the presentation of the Line of Duty Death Memorial:

1. Having been designated by ICPC corporate as the responsible party (RP) for making the presentation as well as having received it in the mail, the RP will make contact with the fallen's department and determine who has been assigned as the departmental liaison with the family. The RP will keep the ICPC State Rep as well as the Regional Director abreast of all correspondence.
- 2.—The RP will then contact the Family Liaison Officer or departmental representative identified. He/she will explain our desires as an organization and what that looks like in the presentation of the Line of Duty Death Memorial which we hope would be well received by the deceased hero's family and department.
3. Should the family and/or the department opt for the presentation to be made in person, the RP will coordinate a time/location to do so with the Family Liaison Officer. The RP will communicate all confirmed plans with chaplains in his/her region as well as state and regional leaders. All are encouraged to show their support at the presentation as able. Should the family or the department not desire a presentation, the Memorial will be given to the Family Liaison or departmental representative to be passed on to the appropriate family member/departmental leader.
4. It's important that the presentation be made with the proper mindset as well as in the proper attire. Uniforms should be worn if the chaplain has one... Suits in lieu if they do not. RPs should represent with a sober yet compassionate bearing. A strong undercurrent of honor should permeate the presentation for both the deceased and their family/ department. Comfort should be given where warranted ... all with the minimal words needed to communicate sincere honor and love.
5. **The RPs should make every effort to keep the LODD presentation out of the limelight. No photos should be taken unless requested by the survivors or the department. Any media contact initiated will solely be done by the survivors or the department, not by the RP. The ICPC RP should remain as low key as possible, in everything showing honor and respect to those suffering loss.**
6. RPs shall submit an electronic LODD After-Action summary form via the link/designation provided by the ICPC Corporate Office.

**THANK YOU FOR YOUR WILLINGNESS TO REPRESENT ICPC IN HONORING THE FALLEN.**

# Our World is Changing and so is your ICPC organization.

Even prior to the Covid-19 event the ICPC Executive Board envisioned providing its members with expanded communication ability. This began with the migration of ICPC to Microsoft Office 365. With this transition we are able to provide each member with access to applications such as Outlook, Teams and many more. This is an added member benefit with no extra cost. You should have received an email with your log in information please contact the office if you have not. For a quick overview on how to log in and use these products [Click the images below.](#)

# POLICE CHAPLAINS STRUGGLE ALONGSIDE OFFICERS DURING PANDEMIC, PROTESTS

BY ADMINISTRATOR | AUGUST 26, 2020 | 1 COMMENT

SHARE     

By Chris Moon

These are not easy days to be a police officer—or a police chaplain.

The effects of COVID-19 and the racial tensions that have swept the country have made the jobs of those who try to keep the peace and those who minister to them difficult.

"It has affected us quite a bit," said **Bob Heath**, a chaplain with the Joplin (Mo.) Police Department.

Heath has served as a police chaplain for 28 years. He also is the bookstore manager and purchasing agent at **Ozark Christian College** and the pastor of **Diamond Grove Christian Church**.

He also serves on the executive committee of the **International Conference of Police Chaplains**, which trains chaplains across the country.

Heath said the COVID-19 pandemic has been a bigger obstacle to his chaplaincy work in Joplin than have the racial protests that have broken out nationwide.

# A Word About the Credential Process

RICHARD KASSEL, CREDENTIAL CHAIR

Members routinely ask about obtaining a Basic Credential Certificate after taking the 12 Basic Core Courses at an Annual, Region, or District Training Seminar.

Completion of the courses meet *part* of the requirements for a Basic Credential, it is *not* an automatic process.

## Credential Application Requirements

1. Member of ICPC
2. CEU and ICPC CEU hours/criteria:
  - **Basic**—3.5 CEU (ICPC-1.8 Basic Core Courses)
  - **Liaison**—4.0 CEU (ICPC-1.8 Basic Core Courses and .45 Liaison I, II and III)
  - **Senior**—15 CEU (ICPC-1.5); hold a Basic/Liaison Credential; 5 years as a law enforcement chaplain
  - **Master**—35 (ICPC-3.5); hold a Senior Credential; 10 years as a law enforcement chaplain

The ICPC Credentialing Pamphlet (available on the front side of our website under the Credential Tab or [HERE](#)) provides definitions and additional details.

After review of the Credentialing Pamphlet, verify with the Academic Team to see if you meet all the requirements.

Once verified, you must apply for a credential by completing the appropriate application form from the ICPC website ([icpc4cops.org](http://icpc4cops.org))—Members Only Section—Credential Folder.

Members of the ICPC Credential Committee are eager to assist our members in obtaining higher levels of credentials.

There are committee members in each region of ICPC who conduct the interviews required for Senior and Master Credential Levels.

You will find them helpful as you seek any of the offered credential levels. Their names are listed on the website (Members Only Section—Committee Folder—Committee Roster). Please do not hesitate to contact them if you need assistance in preparing your application.

## Credential Certificates—Final Approval

Basic, Liaison, Senior, and Master Level—Certificates and pins are mailed from the ICPC Corporate office.

Diplomate and Fellow—Certificates and pins are presented at the ATS.

## Transcripts

Our Academic Team: Dr. John Transue, Academic Registrar and Mike Hendricks, Assistant Academic Registrar strive to maintain accurate records; however, it behooves each member to maintain a record of ICPC courses and/or other academic submissions.

Again, please consult the Credential Pamphlet for additional information regarding requirements for each credential level.

## “Get our Six” Campaign

The International Conference of Police Chaplains mission is “Developing professional chaplains through dynamic education and support”. I believe in the mission and have received hundreds of hours of quality law enforcement chaplaincy training. All the while developing lifelong friends through the fellowship at Annual and Regional Training Seminars for the past 28 years.

Generally, we will throw our support behind something or someone we believe who supports our mission. Support may be with our time, voice, or money. I have tried to do all three.

ICPC desires to continue to be the cutting edge of law enforcement chaplaincy. The only way that can be accomplished is by investing funds in development and programs. We have set up a campaign “[Get our 6](#)” to help raise financial support for ICPC’s mission. As any law enforcement officer knows, having a partner who you know and trust tell you; they “got your 6” might mean the difference between going home safe or being injured or killed in the line of duty. I am encouraging each ICPC member to get behind the mission of ICPC and put your financial support where it will do the most good.

The “**Get our 6**” campaign is designed to begin immediately. Like many corporations, we have had an unfortunate loss of revenue in the fiscal year that just closed June 30<sup>th</sup>. With just ¼ of our member’s support of giving \$10.00 (or more) each month, we could make up a huge portion of lost revenue. Your contributions may be processed through the ICPC Donation Button on our website’s homepage. You will have the option to designate your donation as a recurring gift and you would not have to think about it again. Remember, your generosity qualifies as an IRS tax contribution.

Honestly, \$10.00 a month would not be a hardship to most of us, perhaps skipping two coffee shop drinks or maybe skipping a fast food lunch each month. It would mean a world of difference for ICPC’s mission. If we are going to continue to be the premiere law enforcement chaplaincy organization, we must have the funds to aggressively address our future.

I am willing to commit by being the first to contribute to the “**Get our 6**” campaign.

Respectfully submitted,

Chaplain Bob Heath, ICPC CFO  
Joplin, MO Police Department

# THE BADGE

---

Standing there in his dress blues he vows to give his best.  
Can he know the gravity of the badge now on his chest?  
Visions in his mind, he's going to change the world.  
He's sure to find, like us once blind, to the violence unfurled.

He took the call and gave his all there's so little time to rest  
Not withstanding so demanding, this badge upon his chest.  
Now things he sees is fitful dreams that somehow should not be,  
All the things he happened on that he cannot un-see.

Now there's prayers he prays at night, and fears that he confessed  
Now he knows it grows and grows the weight that's on his chest.  
Somewhere on a lonely street a single shot rings out.  
Lying there in his dress blues he gave the world his best.  
Succumbing to the weight of it they lay his soul to rest.

## History of ICPC LOGO

The ICPC logo is shaped like a five-pointed star of the early peace officer which was made famous by the Texas Rangers. Superimposed upon this is the more modern shield, the badge of office for those who have sworn to “shield” the public from those who would violate the law.

A field of blue, for truth, is surrounded by a circle of gold, for the unity of our chaplain family. Superimposed on the shield are the symbols of the Judean-Christian faith, signifying faiths of ICPC’s Founders, the six-pointed Star of David and the Cross of Christ.

A laurel wreath, a symbol of honor, surrounds the shield distinguishing the law enforcement profession. At the top of the shield is a rising sun signifying God’s Word.

Thus, we have both symbols of law enforcement and faith inextricably woven together and superimposed to symbolize our office as law enforcement chaplains.
