PRESIDENT'S MESSAGE

Ronald J. White,
President

A young couple moved into a new neighborhood.

The next morning while they were eating breakfast, the young woman saw her neighbor hanging the washing outside.

"That laundry is not very clean; she doesn't know how to wash correctly. Perhaps she needs better laundry soap."

Her husband looked on, remaining silent.

Every time her neighbor hung her washing out to dry, the young woman made the same comments.

A month later, the woman was surprised to see a nice clean wash on the line and said to her husband, "Look, she's finally learned how to wash correctly. I wonder who taught her this?"

The husband replied, "I got up early this morning and cleaned our windows." And so it is with life... What we see when watching others depends on the clarity of the window through which we look.

So don't be too quick to judge others, especially if your perspective of life is clouded by anger, jealousy, negativity or unfulfilled desires. "Judging a person does not define who they are. It defines who you are."

The longer I live, the more I realize the impact of attitude on life. Attitude, to me, is more important sometimes than facts.

It is more important than the past, than education, than money, than circumstances, than failures, than successes, than positions, than what other people think or say or do. It is more important than appearance, giftedness, or skill. It will make or break an organization, a church, or a home.

The remarkable thing is we have a choice every day regarding the attitude we will embrace for that day. We cannot change our past; we cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing one can do is play on the one string we have, and that is our attitude. I am convinced that life is 10% what happens to me and 90% how I react to it. So, it is with you...we are in Charge of our Attitudes!

I look forward to seeing you and family at the ICPC 49th Annual Training Seminar in Orlando, Florida July 18-22, 2022. This will be a great opportunity to participate in great training!

Editorial Comment

John Harth, Editor

In December, I had the chance to visit New York City. My heart soared.

As we neared Rockefeller Center, there were officers everywhere. That included a clump of four who had people chatting them up, smiling, laughing, and posing for pictures. Naturally, I joined in with them.

As we walked to the Metropolitan Museum of Art, more officers scattered along the way were receiving the same treatment.

Later in the week, we went to Philadelphia. The saga continued: folks smiling, laughing, and posing for picture with officers...myself included.

Early this year, reality re-entered with the deaths of and attacks on police in New York, Houston, and other cities.

Overall, I find things to be generally better in regard to public and police perceptions and interaction. But there is still a long way to go.

We chaplains not only can be but **ARE** a part of the process. Encourage personnel. Become involved in conversations with others about law enforcement operations. Note that just as in any profession, there are good and not so good folks.

And pray.

God, help those who serve, and we who serve them, to be a light unto the darkness.

God bless and be careful out there.

49TH ANNUAL TRAINING SEMINAR
ORLANDO, FL ~ JULY 18TH-22ND, 2022

2022 Orlando ATS Host Committee Fundraising

ATS Host Committees are challenged to meet financial goals with the hope of having the best ICPC Annual Training Seminar. For example, in 2019, a challenge went to several Law Enforcement agencies in south Florida; for every \$ 1,000.00 donated to ICPC, one agency chaplain would attend the conference with their conference (basic/enrichment course) registration fee being waived. Likewise, Okaloosa County Sheriff's Office took the challenge to support the July 2022 Orlando ATS with their \$5,000.00 donation. With that support, five (5) Okaloosa County Sheriff Office Chaplains will be attending the ATS conference with registration fees waived. We encourage you to start a dialogue with your agency and present the challenge. Police Chiefs and Sheriffs often want the bragging rights as to see which agency can give the most.

Thank you for your support of ICPC, LE Chaplaincy worldwide and of the 2022 Orlando ATS.

ICPC Auxiliary Calling All Spouses

Chaplains, The ICPC Auxiliary Board of Directors is formulating our plan for the 2022 ATS in Orlando. If your spouse has not participated in the Auxiliary, we'd like to extend the invitation.

Developing Professional Chaplains through Dynamic Education and Support

An ICPC Response to the War in Ukraine

Harold D. Gingerich, International Committee Chairman

There are no words to describe the heartbreak and horror as events continue to unfold in the nation of Ukraine. Not since the days of World War II has the world witnessed the level of devastation that has been unleashed on the Ukrainian people by the current Russian invasion. The news is filled with images of brave first responders giving aid to victims of the war and firefighters battling the flames of a bombed-out apartment building, hospital, or school.

Innocent women and children have become targets in what surely constitutes war crimes. More than three million people have been forced to flee. The emotional trauma of separated families is unimaginable. Women and children have been forced to say “Goodbye” to their husbands and fathers who remain to defend their homeland, knowing that they will most likely never see one another again.

As the ICPC International Committee, we stand in support of the Ukrainian people, our fellow chaplains, and the brave men and women of that nation’s law enforcement community. We pray for a swift and peaceful resolution to the fighting. We pray for continued courage and strength for the first responders. And we pray for the joyous day when families will be re-united, when the scars of war can begin to heal, and when that nation can begin to rebuild.

May the peace of God comfort and keep the people of Ukraine.

Ukraine War hits closer to home than we realize.

Pictured third from the left ICPC Chaplain/Instructor Ron Nelson with some of the Ukrainian chaplains who he provided training to just this last summer in Kyiv, Ukraine.

Below another picture also provided by chaplain Nelson of the entire class. Many of which were in the process of become ICPC chaplains before the war started.

A Word About the Credential Process

RICHARD KASSEL, CREDENTIAL CHAIR

Members routinely ask about obtaining a Basic Credential Certificate after taking the 12 Basic Core Courses at an Annual, Region, or District Training Seminar.

Completion of the courses meet *part* of the requirements for a Basic Credential, it is *not* an automatic process.

2. CEU and ICPC CEU hours/criteria:
 - **Basic**—3.5 CEU (ICPC-1.8 Basic Core Courses)
 - **Liaison**—4.0 CEU (ICPC-1.8 Basic Core Courses and .45 Liaison I, II and III)
 - **Senior**—15 CEU (ICPC-1.5); hold a Basic/Liaison Credential; 5 years as a law enforcement chaplain
 - **Master**—35 (ICPC-3.5); hold a Senior Credential; 10 years as a law enforcement chaplain

 - **Fellow**—100 CEU (ICPC 10); hold a Diplomate Credential; 20 years as a law enforcement chaplain; 40 ATS/RTS Credits

The ICPC Credentialing Pamphlet (available on the front side of our website under the Credential Tab or [HERE](#)) provides definitions and additional details.

After review of the Credentialing Pamphlet, verify with the Academic Team to see if you meet all the requirements.

Once verified, you must apply for a credential by completing the appropriate application form from the ICPC website (icpc4cops.org)—Members Only Section—Credential Folder.

Members of the ICPC Credential Committee are eager to assist our members in obtaining higher levels of credentials.

There are committee members in each region of ICPC who conduct the interviews required for Senior and Master Credential Levels.

You will find them helpful as you seek any of the offered credential levels. Their names are listed on the website (Members Only Section—Committee Folder—Committee Roster). Please do not hesitate to contact them if you need assistance in preparing your application.

Credential Certificates—Final Approval

Basic, Liaison, Senior, and Master Level—Certificates and pins are mailed from the ICPC Corporate office.

Diplomate and Fellow—Certificates and pins are presented at the ATS.

Transcripts

Our Academic Team: Dr. John Transue, Academic Registrar and Mike Hendricks, Assistant Academic Registrar strive to maintain accurate records; however, it behooves each member to maintain a record of ICPC courses and/or other academic submissions.

Again, please consult the Credential Pamphlet for additional information regarding requirements for each credential level.

The International Conference of Police Chaplains mission is “Developing professional chaplains through dynamic education and support”. I believe in the mission and have benefitted by receiving hundreds of our hours of quality law enforcement chaplaincy training over the past 28 years. All the while developing lifelong friends though the fellowship at Annual and Regional Training Seminars.

ICPC desires to continue to set the standard for law enforcement chaplaincy. The only way that can be accomplished is by investing funds in development and programs. We have set up our “Get Our 6” campaign to help raise financial support and awareness of ICPC’s mission. As any law enforcement officer knows, having a partner who you know and trust tell you; “I’ve got your 6” might mean the difference between going home safe or being injured or killed in the line of duty. I am encouraging each ICPC member to get behind the mission of ICPC and put your financial support where it will do the most good.

The “Get our 6” campaign is designed to make it easy for our Chaplains, our friends and our houses of worship to support the ministry of ICPC. A one time gift or a monthly gift will make a big difference to what we can accomplish in the coming year. Your contribution may be processed through the ICPC Donation Button on our website’s homepage. You will have the option to designate your donation as a recurring gift and then you won’t have to think about it again. Remember, your generous donation qualifies as an IRS tax exemption.

If ICPC is going to continue to be the premiere law enforcement chaplaincy organization, we must have the funds to aggressively address our future. Prayerfully consider what God would lead you to donate to our “Get our 6” campaign, then share the opportunity with your friends and houses of worship.

Respectfully submitted,

Robert Heath
Chief Finance Officer
Finance Committee Chair

A Prayer for Ukraine

O Lord, God of life, as you care for all creation, give us your peace. May our security come not from weapons, but from respect. May our strength come not from violence, but from love. May our own wealth come not from money, but from sharing.

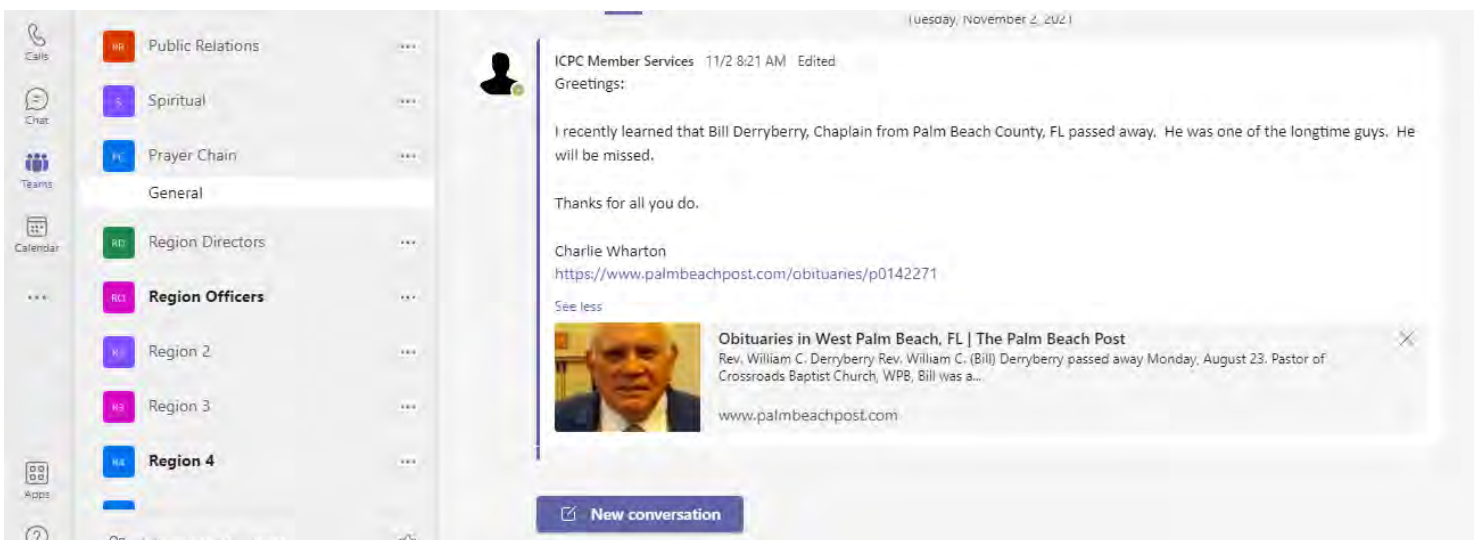

May our path be not one of ambition, but of justice. May our victory not be one of revenge, but of forgiveness. Unarmed and confident, help us to defend the dignity of all creation. Sharing today and always the bread of solidarity and peace. Amen.

Line of Duty Death MEMORIAL PROGRAM

On April 17, 1984, the Arkansas Miller County Sheriff's Department received the first ICPC Line of Duty Death (LODD) memorial.

The memorials and letters expressing our condolence on their loss are presented to the agency head, with a courtesy copy for the deceased officer's family.

Memorial Program donations are tax deductible, please consider partnering with us in this vital ministry.

We invite you to partner with us to continue this vital ministry of compassion to those who have experienced a Line of Duty Death (LODD).

Upon notification of a LODD from the Officer Down Memorial Page (ODMP), ICPC prepares a memorial for presentation to the agency and family.

ICPC Line of Duty Death Memorial Presentation

As an organization, the International Conference of Police of Chaplains (ICPC) strives to honor those who have fallen in the line of duty, preferably through an in person presentation of a Memorial to both the fallen's family and to the agency they served. Recognizing that people grieve in different ways, the wishes of both the family and the agency will be the guiding principle in carrying out this effort. Our commitment of support is to whatever way they deem the most beneficial to all involved.

The loss of an officer shakes the law enforcement family to its very core. Natural families are stripped of their dearest members, agencies of those who linked arms in the battle against evil and communities of the heroes that served them. It's during this time that words should be few, the ministry of presence everything and honor the overarching theme of the day.

It's in that spirit we submit the following policy for ICPC members assisting the organization in the presentation of the Line of Duty Death Memorial:

1. Having been designated by ICPC corporate as the responsible party (RP) for making the presentation as well as having received it in the mail, the RP will make contact with the fallen's department and determine who has been assigned as the departmental liaison with the family. The RP will keep the ICPC State Rep as well as the Regional Director abreast of all correspondence.
2. The RP will then contact the Family Liaison Officer or departmental representative identified. He/she will explain our desires as an organization and what that looks like in the presentation of the Line of Duty Death Memorial which we hope would be well received by the deceased hero's family and department.
3. Should the family and/or the department opt for the presentation to be made in person, the RP will coordinate a time/location to do so with the Family Liaison Officer. The RP will communicate all confirmed plans with chaplains in his/her region as well as state and regional leaders. All are encouraged to show their support at the presentation as able. Should the family or the department not desire a presentation, the Memorial will be given to the Family Liaison or departmental representative to be passed on to the appropriate family member/departmental leader.
4. It's important that the presentation be made with the proper mindset as well as in the proper attire. Uniforms should be worn if the chaplain has one... Suits in lieu if they do not. RPs should represent with a sober yet compassionate bearing. A strong undercurrent of honor should permeate the presentation for both the deceased and their family/ department. Comfort should be given where warranted ... all with the minimal words needed to communicate sincere honor and love.
5. **The RPs should make every effort to keep the LODD presentation out of the limelight. No photos should be taken unless requested by the survivors or the department. Any media contact initiated will solely be done by the survivors or the department, not by the RP. The ICPC RP should remain as low key as possible, in everything showing honor and respect to those suffering loss.**

THANK YOU FOR YOUR WILLINGNESS TO REPRESENT ICPC IN HONORING THE FALLEN.

THE BADGE

Standing there in his dress blues he vows to give his best.
Can he know the gravity of the badge now on his chest?
Visions in his mind, he's going to change the world.
He's sure to find, like us once blind, to the violence unfurled.

He took the call and gave his all there's so little time to rest
Not withstanding so demanding, this badge upon his chest.
Now things he sees is fitful dreams that somehow should not be,
All the things he happened on that he cannot un-see.

Now there's prayers he prays at night, and fears that he confessed
Now he knows it grows and grows the weight that's on his chest.
Somewhere on a lonely street a single shot rings out.
Lying there in his dress blues he gave the world his best.
Succumbing to the weight of it they lay his soul to rest.

History of ICPC LOGO

The ICPC logo is shaped like a five-pointed star of the early peace officer which was made famous by the Texas Rangers. Superimposed upon this is the more modern shield, the badge of office for those who have sworn to “shield” the public from those who would violate the law.

A field of blue, for truth, is surrounded by a circle of gold, for the unity of our chaplain family. Superimposed on the shield are the symbols of the Judean-Christian faith, signifying faiths of ICPC’s Founders, the six-pointed Star of David and the Cross of Christ.

A laurel wreath, a symbol of honor, surrounds the shield distinguishing the law enforcement profession. At the top of the shield is a rising sun signifying God’s Word.

Thus, we have both symbols of law enforcement and faith inextricably woven together and superimposed to symbolize our office as law enforcement chaplains.
