**“Gulf Coast
National Day of Remembrance of
Homicide Victims”**

On September 24, 2013 we will be holding a “Celebration of Life Event” to remember the loved ones that have been taken from families and friends by an act of violence.

Disaster & Victims Services International would like **everyone** to unite with us again in reach the community to let these Families know that their loved ones will not be forgotten.

We would like for the families and friends to join us on September 24, 2013 at the Cooper Riverside Park by the Mobile Convention Center, One Government Street, Mobile, Alabama located by the Mobile River at the intersection of Government Boulevard and Water Street. Families are encouraged to bring a Photograph (No larger than a 8’x10’ photo please), a 3x5 Card including their victims name, date of homicide, age at death, to be placed under the photo.

Setup starts at 4:00 P. M.

***“Wall of Remembrance” from 5:30 P.M. to 7:00 P. M.
(Photo display of Loved Ones and Time of Fellowship between Survivors.)***

***“Remembrance of Loved Ones” begins at 7:00 P. M.
(Families will be given the opportunity to tell us about their loved one.)***

We had 500 people, from Florida, Alabama and Mississippi there last year and 100 families or victims present due to everyone uniting to help these families.

***Thank You
Tony Dickey, President/ Chaplain***
