

“Backing the Thin Blue Line”

Law Enforcement Chaplain Training Conference

In collaboration with

ICPC Region 6 Training Seminar

May 13-17, 2013

Sacramento, California

You are invited to participate in a special law enforcement chaplain's conference that will present classes relevant to current issues for rapid responders to law enforcement families. This week-long conference will include:

- **ICPC Region 6 Training Seminar: 2 ½ days for Basic Classes**
- **ICPC Region 6 Training Seminar: 2 ½ days for CISM (Basic)**
 - **Advanced Law Enforcement Chaplains Training (40 hours)**
- **Vital classes for Law Enforcement Chaplains to better respond to the needs of this changing LE profession.**

It is our desire to bring our Region together, especially if you cannot attend the ICPC ATS held in Texas this July.

The networking, up-to-date classes, and the skills training offered will equip Chaplains as they are “backing the thin blue line.”

Hosted by: Law Enforcement Chaplaincy – Sacramento

**International Conference
of
Police Chaplains**

“Serving All Law Enforcement Chaplains”

The International Conference of Police Chaplains (ICPC) invites you to join us in learning new ways to serve law enforcement officers, their families and the communities we serve.

ICPC serves all law enforcement chaplains (volunteer or paid) as well as aiding Law enforcement agencies in developing and/or enhancing their chaplaincy program.

Departments that do not have a chaplaincy program are encouraged to attend. This would be helpful in starting a program regardless of the size of your department. District, Regional and Annual Training Seminars are open to all law enforcement chaplains, officers and agency administrators.

ICPC members have access to a network of mutual support, educational material, training, as well as the opportunity to pursue credentialing.

Credentialing Levels: Basic, Liaison, Senior, Master, Diplomate, and Fellow.

The Journal (published quarterly) is available on our website: icpc4cops. Our on-line Lending Library is available to members through the “Members Only” section.
