Since August 1, every hour for 18 hours a day, a 15-second Alliance video segment has been broadcast in Times Square on 42nd Street.

The segment calls people to be light in their world and points them to www.areyoulight.org, where they can discover the gospel message or learn how to shine the light they have.

Pray for this ministry in New York City to have lasting, eternal affects.

**District Missions Tours began September 8th with Roger and Ellen Elbel.
Interdistrict District Tour begins Sept. 25th with Jeff Singfiel and M. Clason.
Pray for the tours, the international workers and our churches as the challenge of reaching the world for Christ is promoted under this year's theme, "Be Light."**

Beyond Skin Deep

Alliance Womens Conference

October 14-15, 2011
Ohio Valley District

**International
Speaker:**
Jane Rubietta

**Roberts Centre
Wilmington, OH**

“Life-changing” “Hilarious!” “A miraculous time!” “Profound”...just a few words to describe a conference with Jane.

To portray what happens when Jane steps in front of a microphone is to illustrate electricity. To call it “speaking” is one-dimensional! Audiences describe her speaking as mesmerizing, deeply spiritual, funny, vulnerable, dramatic, and personal. (excerpts from Jane’s website: janerubietta.com)

What matters is not your outer appearance, the styling of your hair, the jewelry you wear, the cut of your clothes, but your inner disposition.

SHARE YOUR CHURCH RESOURCES

Do you have resources (books, DVD series, Bible studies, music, youth materials, YOU NAME IT) in your church that you would be willing to share with other churches, pastors, small groups, classes, etc.?

It is very costly for each and every church to buy resources, particularly DVD series for Bible studies, and if available to borrow, what a blessing we all could be to each other!

Please send the name of the items you have to share to Tassie Klinsing at the district office tassie@cmaohiovalley.org.

A list of resources will be made available (hopefully put up on the website) so others can see it and borrow/lend needed items from each other.
