

## 1<sup>st</sup> YEAR COURSE DESCRIPTION

### **REN103 Communion With God**

This is a thoroughly practical course on hearing God's voice. Biblical techniques of vision and journaling will be combined to help one discern and clarify the spontaneous thoughts that come from God. (Key verses: Habakkuk 2:1-4) The goal is that one commune (converse) with God through the fellowship of the Holy Spirit and that this communion flows both ways.

### **COU202 Counseled by God**

God's Spirit is a Wonderful Counselor. We will let God speak to our hearts and counsel us about the basic emotional pressures of life. These include anger, doubt, depression, condemnation and inferiority. We will learn to let God replace these with His opposites, as His voice releases grace within our hearts. Those whom the Son sets free are free indeed.

### **COU301 Prayers That Heal the Heart**

This course teaches a series of seven prayers that will break bondages within your heart caused by spiritual forces. These prayers include breaking generational sins and curses; severing ungodly soul ties; removing negative beliefs and inner vows; healing traumatic scenes; and casting out demonic energy that has connected itself to these inner wounds of the heart and soul. The entire healing process is sealed by doing an intensive meditation on biblical passages that bear on the issues being healed so God can grant you illumined insights in His Word.

### **MIN415 Anointed Preaching**

This course better known as Sermon Preparation teaches the student how to get his/her messages from God and deliver them under the anointing of the Holy Spirit's power.

### **WOR101 Believer's Worship I**

In this course, we will define worship and explore its priority in the life of the believer. We will learn how to become a worshipper, as well as our responsibility as a worshipper. In addition we will examine praise in the life of Jesus and experience the presence of God in worship.
