

19 Tips for a Successful Marriage

Kevin and Lauren Martineau's 19 years of marriage have definitely had their share of ups and downs but they have always been committed to keep moving forward. Through these 19 years they have learned some important things about marriage:

1. Laugh lots and have a ton of fun together.
2. Say what you mean and mean what you say.
3. Get away together often.
4. Have a weekly date night.
5. Listen more than you speak.
6. Stop trying to read your spouse's mind.
7. Clarify expectations.
8. Show appreciation and gratitude in as many ways as possible.
9. Continue to grow as individuals and as a couple.
10. Deal with conflict in healthy ways.
11. Pray together.
12. Be honest with one another.
13. Be committed to one another.
14. Be willing to forgive.
15. Show respect and courtesy.
16. Focus on giving rather than taking.
17. Don't just tell your spouse you love them; tell them why.
18. Celebrate the small things.
19. Be willing to say "I'm sorry."
