THE KERITH SPRINGS OASIS

SISTERS, OREGON

Life Impact Partner

Life Impact Partners, **Eric and Jeri Weber**, have been called by God to provide care for Pastors and Missionaries in a large home they have purchased called, **The Kerith Springs Oasis**.

"**Kerith Springs**" takes its name from the stream and valley of Gilead in northeastern Israel, and became refuge to some of the most prominent men in Scripture, including Jacob, David, and Elijah. God led His leaders to this sheltered ravine and gave them a brief season of quiet, refreshment, provision, and rest during difficult ministry assignments. In the gospel of Mark, Jesus said, "Come with me by yourselves to a quiet place and get some rest" (Mark 6:31). It was good advice then, and it is good advice today. When the demands of ministry and the stresses of constant attention to the needs of people become overwhelming, weary shepherds need a quiet place—with Jesus—where they can rest, recoup, and recharge. If Jesus Himself slipped away to hidden places to find quiet, rest, and uninterrupted communion with His Father, how much more today's Christian leaders need to find that occasional time of refuge. Come stay.....we'd love to have you!

Kerith Springs is a warm, welcoming refuge for weary, battle-scarred pastors & missionaries who long for a relaxing hideaway from the pressures and burdens of ministry. Nestled in the Ponderosa pine forests of mountainous Central Oregon, Kerith Springs offers a place, a time, and an opportunity to rebuild your hopes, restore your vision, recapture your enthusiasm, and refresh your spirits.

For a get-away to truly be a get-away, it has to be...away. **Kerith Springs Oasis** is located on the sunny east side of Central Oregon's Cascade Mountains, near the picturesque little town of Sisters. Three towering 10,000 foot mountains, "The Three Sisters," loom over this lovely corner of the Pacific Northwest. Individually named Faith, Hope, and Charity, the Three Sisters— will remind guests of the goodness and limitless power of their Creator. The house is located in Sisters within 5 minute walking distance of the downtown area. We also border the national forest with multiple hiking and biking trails. It is within a half hour drive from the Redmond airport, where three national airlines provide multiple daily flights. Amenities include a large family room with fireplace, three bedroom suites with private bathrooms, dining room, library resource/reading room, a bonus room with microwave, refrigerator and TV, as well as use of a fully equipped kitchen with occasional meals provided.
