

Vacation and Retreat Opportunities*

For pastors, missionaries and other Christian workers

Life Impact Ministries www.lifeimpactministries.net Life Impact exists to create hosted places of rest and retreat (called Oases) for International Workers, Pastors, and other Christian leaders. We also provide our ministry guests with requested care services when they visit an Oasis. Our hosts have been trained with basic life coaching skills and can help you process basic issues you are facing. Sometimes gaining a different perspective on an issue allows one to move forward in a new way with more hope and vigor.

A partial listing of locations includes: West Linn, OR; Winchester Bay, OR (aboard moored boat); Alaska; Black Hills, SD; Colorado; Florida; Brazil; Costa Rica; Italy; Slovakia.

Free Alaska Vacation for Pastors www.AlaskaVacationPackages.com You read that right! The Christian owners of Alaska Vacation Packages, Sid and Kathy Cook, have been led by the Lord to offer a free vacation package on a limited, space-available, as-needed basis at their Wolverine Lake facility near Palmer, Alaska. The goal of this is to help individuals in full-time local-church Christian ministry in need of refreshment, especially those needing to be restored physically, emotionally, and spiritually.

The offer includes a fully furnished one-, two-, or three-bedroom cottage and boat and motor. You must pay your way to Alaska, take care of your food, and obtain a rental car (at Alaska Vacation Package's wholesale rate; in some cases a free loaner car may be available). If you are interested, particularly in fishing and hunting, this could be the place for you.
