Greetings...

Mike and Korky Rogers

-Mike and Korky Rogers

Overflowing blessings to you and yours! We thank the Lord Jesus Christ for each of you having been planted in our lives by the Father of all spirits. We wanted to update you on our ministry and share some things coming up this year.

We are currently overseeing Glory House meetings in our local area. Amazing works of the Holy Spirit are taking place among people hungry to learn more of and experience the ministry of the Holy Spirit. These meetings are teaching and training sessions; flowing with the Holy Spirit as He ministers to the church. People are learning to recognize the working of the Holy Spirit and His manifestations in ministering to one another. Knowing you hear the voice of God as He leads everyday and every way is so vital!

We are also privileged to continue to minister alongside the leaders of Native Lighthouse Ministries on local reservations among the Native Americans. In the two years since we were called to this work we have

seen much change among those whom we are ministering; lasting fruit that remains!

Baja California is on fire with passion for the Lord and His works! Mike has been there several times the past two years to teach and train leaders and church members in the flow of the Holy Spirit in every aspect of the church. We are co-laboring with Pastor Santiago in Ensenada and many lives are being changed.

In 2010, we ministered for several churches in Southern California during Sunday services, tent meetings, retreats, special services, etc.; The Holy Spirit always accompanying the message with demonstrations of His love and power through the gifts of the Spirit manifesting.

We are called to teach and train the body of Christ according to Ephesians 4:11-16 and are beginning now to see more doors open for the call given to us. We have been teaching authority of the believer's position in Christ, healing, deliverance, prayer, and the Presence of God to people hungry to know and experience more.

In 2011 we plan to expand the "tent" with two conferences - we will be letting our partners and friends know the details of upcoming events.

We ask you to prayerfully consider partnering with us in the work to which we have been called if you haven't already, either as a monthly partner or a one-time giver. We consider any amount to be significant and you will receive a monthly receipt for your giving as well as an end of the year contribution statement.

Mike and I pray for our partners every day just like family!

Thank you so very much for your love and support!

A Time of Reconciliation

Many years ago, the Pechanga band of Indians attacked and massacred the people of Soboba over a plant food source in a canyon on the Soboba Indian Reservation. The canyon was named "Massacre Canyon" by the people afterward. We were witnesses to a time of reconciliation initiated by an elder from Pechanga Band named Georgena Maruffo and a member of Soboba Band named Virginia Duenaz. This reconciliation was significant be-

cause it was initiated and carried out by representatives of the two bands of Luiseno whose ancestors were both perpetrators and victims of the massacre.

We saw an amazing transformation of the land around us begin in "Massacre Canyon" almost instantly as forgiveness and reconciliation were established. A soft breeze began to blow, the trees of the field clapped their hands, the grass waved in joy and a flock of singing birds flew and danced about the can-

There are two ways to partner with M K R Ministries and both are equally important:

Prayer: We ask that you pray for us that God may open doors to us for the Word, that we might proclaim it fully and boldly!

A Time of Reconciliation (cont'd...)

yon! The Holy Spirit revealed the same holy angels that were witnesses to the murders in that place were now again present and witnesses to the healing of the peoples and the land. Pastor Donna Dominguez from Pala, also a witness, picked up a hand-sized white rock from the ground and presented it to Virginia as token sign of the reconciliation between the two bands of Indians. The

occasion was both solemn and joyful!

Present at the reconciliation were Pastors Richard and Donna Dominguez (Kish-hati-wenet Pala) Virginia & Albert Duenaz (Soboba Lighthouse) Georgena Maruffo (Pechanga Lighthouse) and Mike and Korky Rogers (The Glory House - so named by the Native Lighthouse Ministries).

Ensenada Update

-Mike Rogers

We continue to co-labor with Pastors Santiago and Rosie Samarin of Bethel Church in Ensenada, B.C. They were able to visit us here with their son Gamaliel and stay a few days early in 2010. We introduced them to some of our friends and they ministered at a Hispanic church locally during their stay. Our time together was a great blessing!

On August 26-30, 2010, I spoke at meetings for two pastors and their churches, Pastor Santiago and Pastor Javier. For Pastor Santiago I did a Thursday night Prophetic Holy Spirit service which was powerful. Saturday was an all day workshop

on prophetic worship in song and music. I had previously taught on this subject but, in this workshop we went deeper which brought them to another level. Later in the day they practiced what they were taught and were excited about what they experienced. In the Sunday morning service the Holy Spirit led me on what to speak - not what I had planned - and He moved mightily!

Friday was an all day workshop for Pastor Javier and his church on the anointing and revival. Throughout my teaching the Holy Spirit would have me deviate from my notes and speak on salvation and people got saved. Then I continued on with the teaching and then He lead me to speak on the Baptism in the Holy

Spirit and people got filled. Then back to the teaching and then a refreshing joy came in and people got set free in deliverance.

Friday night I taught on the Glory of God, His Presence and the Lord came into that place so powerfully. The Holy Spirit had me give this word, "this is God's presence that you feel, His love which is more powerful than Satan and witchcraft. The Lord wants to set you free and reveal Himself as Lord". I then asked who the person I was speaking to was and a lady raised her hand. I had her renounce Satan and witchcraft and led her to receive Jesus as her Lord and Savior. That night was

powerful! Saturday night I taught part two of the Glory of God. The power of the Holy Spirit was present and then God's Presence came into that little church. Pastor Santiago's worship team did the worship and supernatural things took place. A powerful four days in the Lord Jesus!

S.W.I.M Conference

- Mike & Korky Rogers

In July 2010 we were invited to speak at the 2nd Annual S.W.I.M. (Still Waters International Ministry Alliance) Conference - Lifting Up the Standard of the Supernatural. It was a five day conference in Spokane, WA held by Bruce and Reshma Allen of Still Waters International Ministries and hosted by Pastor Barry and Kay Hill of Christian Life Church. We were among several speakers for the conference and so had opportunity to meet many outstanding ministers from around the U.S. during the S.W.I.M. meet and greet times. Our dear friends Patricia &

Rick Jarman also ministered in worship and we were so blessed to see them again! Korky spoke on "Leaven of Herod" or the political spirit in the church. Mike ministered on "Missing Miracles", how we can fail to see our opportunity to participate in miracles because of religious blindness! Many people spoke to us about how their lives were absolutely changed because of the anointing on these messages to set the captives free! Not only did we minister, but received ministry through a young man attending the conference with an extraordinarily revelatory word of knowledge. He mentioned our daughter's name and age, absolutely without prior

knowledge of us at all, you can believe he had our attention immediately; he spoke of great increase in our lives! Bruce Allen also ministered to Mike with prophetic utterance. It was a great time of ministry and fellowship for us and our brother Robert Freeman (By His Spirit Ministries) whom we traveled with. In addition to the conference, we ministered at Christian Life Church for their Sunday service and held two Holy Spirit meetings the following week in Colville for Pastor Len Phelps. We had a powerful time in the Holy Spirit that week!

First Nations People

-Mike Rogers

Korky and I have been ministering among the Native American peoples. We continued the "Natives in the Glory" meetings we began in April of 2009 through August of 2010. We taught who we are in Christ: our authority over the devil and what Jesus gave us. We spent much time being still in the Presence of God and therefore allowing Him to speak to each of us as he knew best. Then we would practice hearing and obeying the Holy Spirit in ministering to one another. Native Americans are inherently spiritual people, so it is not hard for them to get in touch with

the Father of all spirits and to hear and see into the spiritual realm.

There is a powerful move of God among Native Americans and we believe the Lord has raised up Native Lighthouse Ministries (NLM) for such a time as this. Natives ministering among and to Natives! God has spoken prophetically that the Native American peoples are to be given first opportunity to experience an outpouring of God's Spirit and with this comes opportunity to be at the forefront of the move of God in this nation. Native peoples are the "host nations" of every continent, and God is restoring them to their rightful

position of honor among the nations of the world. In the next twenty years we will see the Native Americans move to the forefront of all aspects of life in this nation. We want to see them at the front of the move of God also! We are co-laboring with NLM to teach and train people in the ways of God and to help identify the five-fold ministry gifts among the people and raise them up into position. At this time, there are eleven Lighthouses on eleven different reservations to bring the light and power of the gospel to their people. The leaders of each location gather once a month as one to support and encourage one another. We are blessed and honored to

be a part of this ministry and to speak on many different occasions at meetings and conferences.

Also, currently we are teaching every Thursday night at Kish-Hati-Wenet (Lighthouse) Church on the Pala Indian Reservation for Pastors Richard and Donna Dominguez, Pastor Richard is one of the co-founders of NLM.

2011 holds promise and provision for much more ministry together with those called to the native peoples and we are ready to run!
