## First Year of Ministry Has Come and Gone...

-Mike and Korky Rogers

Over a year has come and gone since we went full time into the evangelistic ministry and what a blessed and wonderful year we have had! There are so many changes going on throughout the body of Christ right now and so many people and fellowships going through major changes and sometimes hard transitions, but the end result intended by the Lord is always a successful transformation! He knows where each of us is and how to take us to where we want to be in Him, if we will follow in obedience to the Spirit and the Word.

We have seen many lives changed through the ministry of prophetic teaching and ministry this year. Many people have told us of the spiritual freedom they have gained in Christ and mental and emotional health as well as physical. We have seen God do much, BUT because of the "time" we have entered now, we EXPECT to see so much more of His works as a result of His Glory manifesting corporately. We had just a taste of that wonderful and transforming glory and all that does is make you hunger for more!

We've had times of gathering together just to enter into His Presence and for the unlearned to learn to flow in the gifts of the Spirit and we did enter and they did learn (and quickly) how to hear, see and obey!

Marvelous and Glorious times lay ahead for all the children of the Lord who have ears to hear what the Spirit says to the church! Be ever filled with the Spirit and Blessed!

Korky and Mike Rogers, Founders of M K Rogers Ministries International.

## Ministering to Our First Nations People

-Tiffany Di Nieri

By His Spirit Ministries (BHSM) is a ministry that was recently founded by Robert Freeman with a heart for the native people of North America. They believe that the first nations people are very important to God's end time plan for America in that they are being given the opportunity to usher in the greatest move of God that has ever been. BHSM's vision is to establish God's kingdom in the hearts of all the first nation's people, throughout the United States and Canada, to preach the gospel to every tribe, to win them to Christ and

baptize them in the Holy Ghost. They believe that God will pour out His Spirit everywhere they go and that His glory will transform the hearts and lives of the native peoples; that whole tribes will come to salvation in Jesus.

BHSM held their first revival tent meeting on the Pechanga Indian Reservation in May and invited M K Rogers Ministries to participate. We had a great time ministering to the people there and saw God do some wonderful things. We will be joining BHSM again on a trip to the Ojibway Reservation in Red Lake, MN in early

September.

### Westside Church

Pastors Jeff and Jody Crume of Westside Church in Hemet, CA invited us to speak after we had shared a word we received from the Lord for their church in March of 2008.

Mike shared with them that revival glory was at their door and how to prepare to receive it and the multitudes that would be coming in as a result.

We've enjoyed a great friendship with the Crumes and have returned for more ministry since then.

## Destiny Church Marriage Conference

The first itinerate meeting of M K Rogers Ministries was in July of 2007. Pastors Jeremy and Jenifer Kraus of Destiny Church International in Irvine, CA invited us to speak at their weekend marriage conference. We both spoke individually to the men and women focusing on emotional healing. We also ministered in the Spirit to-

gether giving words of knowledge and prophecy over all who attended. Many received emotional healing and were set free from issues of the past that were affecting their life.

We had good reports that many marriages were healed and set in right order. We had a great time with the young people of this church!

## Renewed Life

"O God, You are my God; early will I seek You; my soul thirsts for You; my flesh longs for You in a dry and thirsty land where there is no water. So I have looked for You in the sanctuary, to see Your power and Your glory."

Psalm 63: 1, 2

Pastors Ted and Valinda Collins of Renewed Life Church in Moreno Valley, CA hosted a three day series of meetings in November 2007 and invited us to speak. The first two nights were Holy Ghost meetings with a leadership seminar on the third day.

The first night Korky spoke on "Transition and Transformation", dovetailing into what the Spirit was already doing there. After teaching, she ministered prophetically and in healing.

The second night, Mike ministered from Psalm 63:1, 2; having a thirst to see God's power and glory in the sanctuary.

The glory of God fell and people were refreshed, healed, restored and changed.

On the third day, we both taught one session each at the leadership seminar sharing from our ministry experience of over 30 years.

## Tule Indian Reservation

The Tule Indian Reservation is located outside of Porterville, CA by the Sequoia National Forest. By HIS Spirit Ministries asked us to join them on a trip to minister at a Sunday morning

service on the reservation in October 2007.

Aside from the regular congregation, many other ministers called to the first nations people were in attendance as well. There was a great hunger among all present for more of God's Word and supernatural things of the Spirit.

After the service, we shared lunch together and had a wonderful time of fellowship with our Native American brothers and sisters.

We returned in November for an "All

Nations Women of Light" Conference where Korky ministered prophetically.

# Lifeline International

In August 2007, we were first invited by Pastors Bob and Shirley Cash of Lifeline International Temecula to minister to their congregation prophetically and in healing.

Mike ministered about how the glory of the Lord was coming to their church (Isaiah 60) and the changes that would

take place as a result. He prophesied that there was a change that had taken place and that it was beginning to "rain" in their church. The teaching was a prophetic word given by God for Lifeline that has since come to pass!

At Pastor Bob's request, we ministered prophetically and in healing to all who desired. The atmosphere was charged

with the presence of the Holy Ghost and many who had never experienced the power of God received that day!

Since that first meeting, we have been invited back many times and always have a great time in the Holy Ghost.

## Generations Church

Generations Church of Moreno Valley, CA is pastored by our daughter and son-in-law, Troy and Jennifer Shedeed. They first invited us to minister to their congregation in February of 2008 during a time of transition.

We spoke on the privilege and responsibility of change that is Spirit led. The word and ministry that followed were received well by the people.

Korky has been invited back to speak at their women's conference in November 2008 and we look forward to being a part of what God is going to do!

# Arise Hawaii Conference

Keith Hudson Ministries hosted a women's conference, Arise Hawaii, in May 2008 in Kona/Kailua, HI. Korky was asked to lead pre-service/intercessory prayer sessions, speak in two workshops and to co-minister with her daughter, Pastor Jennifer Shedeed of Generations Church.

Korky's focus in the workshops was on freedom from religious strongholds which was extremely well received. She received many testimonies from women who were finally set free after years of religious bondage.

In the last service of the conference,

Korky and Pastor Jennifer ministered together on generational blessings and imparted the blessing in ministry.

The women's hearts were so open to us and the warmth and love that we received from them ministered to us tremendously. We look forward to returning!

# Beracah Faith Women's Conference

Bishop Glenn and Pastor Cheryl Frazier of Beracah Faith Ministries International of Wildomar, CA hosted their third annual women's conference in June 2008.

Korky spoke on the leaven of Herod; a political spirit. The Holy Spirit moved powerfully through the word to minister the truth, setting many free from the influence of this leaven. Pastor Cheryl later reported that the message changed their women and their church.

We greatly enjoyed the opportunity to minister alongside other highly-esteemed and powerful ministers at this conference.

## Shiloh Christian Ministries

In December of 2007, Pastor Kristeen Bandalin of Shiloh Christian Ministries in Idyllwild, CA invited us to minister in her church.

Mike preached on the authority of the believer and how they could "take the mountain" in the spiritual realm; Ephesians 2:6, "and raised us up together, and made us sit together in the heavenly places in Christ Jesus." Ephesians 1:21, "Far above all principalities and power..."

The church rejoiced at the confirmation of what the Lord had been speaking to them!

## Glory Meetings

At the beginning of 2008 the Lord spoke to us about holding small meetings in our home to teach on the glory of God’s presence and how to enter in as well as to teach on the manifest gifts of the Holy Spirit and how to function in them. We wanted to create a safe environment where people could learn and not feel threatened or concerned about saying or doing something wrong as so often happens in other venues.

We opened the meetings to anyone who wanted to attend regardless of denomination, church or background. People of all ages attended including young children and they all came hungry for the supernatural of God!

They came wanting to know how to move with the Holy Spirit and because of that hunger and passion for Jesus, the glory of God manifested week after week. We ministered to the Lord, He ministered to us and we ministered to each other through the manifestation of the gifts of the Spirit.

Nick Di Nieri often led worship with his guitar and we experienced an extremely strong presence of the glory. Some of the things that people experienced while in the glory were prophetic words, visions, healing, deliverance, angelic visitations and singing in the Spirit. Even the children received new songs and prophetic words and were not afraid to share with all present!

Those familiar with flowing in the gifts practiced restraint to allow those newer to the flow of the Spirit to experience and share thereby allowing the Spirit to do “on the job training.”

Many told of being able to operate in the gifts to help co-workers, people at church or in the grocery store, etc. as a result of learning how in the Glory Meetings. The growth of the supernatural was exciting to see among those attending regularly.

When you are hungry for God, when you ask Him to meet you, He shows Himself every time!
