February 2010

Greetings...

-Mike and Korky Rogers

Greetings! It has been over two years since we have been separated and sent out by the Holy Spirit and we are seeing prophetic words given to us come to pass. Not only are we teaching and preaching God's Word, but we are seeing signs and wonders and the glory of God's presence in meetings!

We have been really focused on teaching believers their authority in Christ and how to operate in that. We have also been demonstrating how to enter into the presence of God, move with the Holy Spirit in signs and wonders and how to release God's glory for others.

We are at a time in church history where we will see a lot of churches moving in the supernatural power and authority that Jesus gave to His church (Matt 16:18,19, Luke 10:19, Eph 2:6). Its time that we take our place in the kingdom of God, using our author-

ity in the spiritual realm over the devil to take back our nation, states, cities, reservations, neighborhoods, and schools from the demonic influence. We are to do the work of Jesus if we believe (John 14:12)!

2010 - Year of Great Expansion!

-Korky Rogers

As we enter into 2010 remember that 10 is the number of Creator God's divine law and divine economy and the diverse elements of it. Stay faithful to the eternal injunction of tithing and giving - He won't let you down!

The number twenty or double of ten - indicates to me great increase, abundance, double, great multiplication of fruitfulness as we obey what God has to say, both individually and corporately in local fellowships.

We will see the alignment of the five-fold ministry of apostle, prophet, evangelist, teacher, and pastor come together in unity and fellowship of the Holy Spirit to edify and mature the body of Christ in a new and much greater way.

We continue to see the old passing away and the new coming forth and the shaking in the church and the

world will continue yet for a time, but also I see a settling into positions and relationship alignments coming forth in a brand new dimension for many who have allowed the changes of the Father to take place both personally and in ministry.

2009 was a tough year of pruning which isn't quite over yet, but many have allowed a drastic pruning and have not been bitter - for them great increase is about to come in every area pruning was allowed.

A restructuring or severing of debilitating extraneous relationships will also continue as a passing away of the old to those who are being made new wine holders.

Changes made by some have been a convenient and temporary band-aid but the changes have not been "upward" - *standstill* will result until a humble brokenness is allowed to take place. The Holy Spirit reminds me that

whom the Father loves He disciplines for our good! The place of great end-time privilege that has been given to this generation of believers requires great accountability of responsibility to the Lord Jesus - to whom much is given, much is required; and we have only begun to see the great outpouring of end time! People are awakening to an awareness of God, His Truth, His Righteousness, His Justice. People are being revived by the wind and fire of God all around the world. People are receiving the outpouring of His Glory in many and varied ways.

2010 - in years to come we will look back upon this year and mark it as the beginning of many things both good and bad! But we still win, we cannot lose - He is our champion! Let's get on with the winning of the lost, healing of the broken, releasing of prisoners - For His Kingdom Endures Forever!

Partnership

There are two ways to partner with M K R Ministries and both are equally important:

Prayer: We ask that you pray for us that God may open doors to us for the Word, that we might proclaim it fully and boldly!

Financial Giving: Any amount, whether given regularly or one time.

If you would like to give a monetary donation, please visit our website: www.mkrministries.com or donations can be mailed to:

Ensenada Update

-Mike Rogers

Even with all the bad reports about Mexico's drug cartel wars and swine flu epidemic, God is moving mightily in Mexico. October 24, 2009 marked the one year anniversary that we have been ministering at Bethel church of Loma Linda Ministries, at the invitation of pastors Santiago and Rosie Samarin. (pictured below) We usually do three day meetings and have taken six trips in one year. They are

so hungry for God's word and they put it to work. We have seen signs and wonders in those meetings and when we leave they take what we taught and move with the Holy Spirit. It doesn't stop when we leave!

Korky spoke at a weekend women's conference for Pastor Rosie, it was powerfully anointed to set those precious ladies free! At the conference Korky and I prophesied over two ladies (sisters) and when we started

speaking they went down on the floor (no one touched them) laughing. We continued speaking over them. On their way home they called our interpreter, Luz, on her cell phone and told her that when we were speaking over them they both heard us in Spanish! They told Luz that's why they were laughing. Praise God, that is just like on the day of Pentecost in Acts 2:11. "we hear them speaking in our own tongues".

I was asked by Pastor Santiago to minister in San Telmo B.C. where they are building an outreach church to the Indians from Mexico's interior. I ministered to a group of pastors and their wives on the Anointing of God and how to flow with it for ministry. So many wonderful things took place!

Pastor Santiago, Rosie and their assistant pastors have also been releasing

the revival fire in churches they have been invited to speak at. They have reported that twenty other churches are now in revival.

The first time I visited Bethel on Loma Linda Mountain that overlooks Ensenada and the harbor I knew inside of me all the world will hear about the Ensenada Outpouring; about God visiting a city in Mexico and they will go there!

Christmas Celebration at Orphanage

- Korky Rogers

M K Rogers ministry joined with our daughter Summer and her friend Leslie to bless Casa hogar alcanzando la vision., an orphanage home in Tijuana.

The girls gathered gifts for the 27 children from family, friends and their churches to take to Tijuana on December 19. Our friends George and Rosalva Sullivan who minister in and around Tijuana at rehab facilities were our contacts with the home.

We had a wonderful time watching the children open their gifts and were in awe at how people were led to buy just the right gifts for each child! We were blessed and touched as we heard many of the children's testimonies of being saved from homelessness, abuse and hunger by the Lord and so glad to have a home where they are safe!

We will continue to participate with George and Rosalva in their ministry to the people of Tijuana as God gives opportunity!

Native Americans in the Glory

-Mike and Korky Rogers

We began the year of 2009 with being invited to speak at the first Native American Lighthouse conference in Pala, California. We were largely received by those attending as the Word was ministered on the language of the Spirit; ministry was mostly impartation. Then the Holy Spirit moved so graciously among the leaders and people of the tribes with forgiveness and reconciliation among them. We partook of communion together and unity and love abounded!

We currently are hosting midweek meetings exclusively for Native Americans and those who minister to them. The meetings are distinctly marked with the Presence of the Holy

Spirit as He ministers to each person as we worship and wait in the glory. Then we usually have a time of sharing what we have each seen and heard from the Lord, which is usually followed up with the people ministering to each other with God's wisdom and the gifts of the Holy Spirit. We move into teaching with the main theme being our authority as believers.

Wonderful fellowship around the Word and prayer for people and issues on the reservations then ends the official part of the meetings. We have a late night snack and continue to fellowship and enjoy each other's company!

Currently there are six different reservations represented fairly consistently - Pala, Cahuilla, Pechanga, Morongo, Soboba and Torres-Martinez.

Please join us in praying for our Native American brothers and sisters as they break through spiritual strongholds of the enemy and take back what the enemy has stolen from them; also that the 'rain' would fall in due season upon them, which it is due season for them. Pray for each family

on these reservations and others you may know to receive the free gift of salvation and be set free from religious bondages.

If you are Native American and would like to join us, please contact us via e-mail or phone for time and directions. We would love to have you!
