

This wikiHow teaches you how to connect to a Cisco WebEx meeting from any computer.

Steps

- 1 Get the meeting number.** The person hosting the meeting will usually send this information to you via email.

- 2** Navigate to <https://www.webex.com> in a web browser. You can use any browser, such as Safari, Edge, Chrome, or Firefox, to access WebEx.

3 Click [Join](#). It's near the top-right corner of the page.

Join by Number

Meeting Number:

Your Name:

Email Address:

wiki How to Join a Webex Meeting on PC or Mac

- 4 Type the meeting number, your name, and email address into the boxes.
