

WEEK ONE PRAYER DIRECTIVES

Core Value—Prayer

We must become a people of prayer. James 4:8 tells us to “Come near to God and He will come near to you.” In 1 Thessalonians 5:17, we are encouraged to “Pray without ceasing” because it is God’s will for us.

Throughout history, every great move of God was preceded by a call to prayer. Answering that call will prepare us for and propel us toward freedom in the Holy Spirit, freedom evident in true revival: the salvation of souls, the working of miracles, healing, and deliverance. Through prayer, our churches will be places where supernatural ministry is consistently manifested, spilling over into and impacting the community.

Global Focus—Central America, South America, Europe/CIS/Middle East

Call out the General Presbyters by name: Bishop Ben Feliz—Central America, Bishop Gabriel Vidal—South America, Bishop Clayton Endecott—Europe/CIS/Middle East.

- Pray for their health, strength, and inspiration as leaders.
- Pray for continued blessings upon their marriages and families.
- Pray for young leaders to be identified, trained, and mobilized.
- Pray for national leaders and national ministers in these regions as well as local church pastors
- Pray for supply of needed resources in funds, leaders, buildings, vision, and more.
- Pray for God’s intervention against crime and violence in these areas
- Pray that in the work of the Lord all would seek for excellence and not mediocrity.
