

The Church of God of Prophecy
Mid-Atlantic Regional Convention

Breakthrough to
Holistic Church Multiplication

July 17-19, 2015

GREETINGS FROM THE REGIONAL OVERSEER

Mid-Atlantic Region of North America

It is our distinct privilege and honor to extend a warm Christian greeting and a hearty welcome to all the leadership, laity, dignitaries, friends and delegates to the biennial Mid-Atlantic Regional Convention.

God in His divine providence saw it fit for us to be in this region serving as your presiding Bishop. We are extremely excited yet humbled by the tremendous challenges and responsibility; however, we continue to lean on the Lord for his grace and divine enablement.

As we gather here, there's no doubt all of us have come with a story concerning what has transpired over the past two years; there are stories of celebrations for the wonderful things that the Lord has done individually as well as collectively; yet, on the other hand, there are others that have experienced difficulties and challenges, that if it had not been for the mercies of God you would not have been here today.

But the good news is, in spite of it all, God has been faithful to his children; therefore I implore you to lift up holy hands and hearts to God in a blast of praise to Him!

Regional convention is a time to review what has been accomplished in the region since the last convention; to project new vision for the future, and a time of fellowship together with God's people. Let us make well of the opportunity! As we gather together, I would like to encourage us to be sensitive to the move of the Holy Spirit through the preached word, worship or whatever way the Lord chooses to speak to us. We desperately want to hear from God.

The theme of our convention is "**Breakthrough to Holistic Church Multiplication,**" deducted from (Acts 2:46-47). The context of this passage deals primarily with the effects of the Holy Spirit on the life of the apostolic church. We observe from the text tremendous principles that will help us as we embark on holistic church multiplication in this 21st century. Stress has been placed upon fellowship, one accord, praise to God, gladness and singleness of heart and having favor with all the people, then comes "**the Lord added to the church daily such as should be saved.**" It is quite clear that as we strive to fulfill these biblical principles we will experience daily multiplication. It is my prayer that we will re-examine these biblical principles laid out in this passage with a fresh approach, and trust the Lord to cause the same kind of multiplication to take place among us.

It is our prayer that you will be renewed in your experience with the Lord and be challenged to go forth to spread the Good News of the gospel to a hurting world in our communities.

Sincerely,

Levi Clarke & Floreth Clarke
Regional Presiding Bishop
Mid-Atlantic Region

GREETINGS FROM THE GENERAL OVERSEER *Church of God of Prophecy International Offices*

Linda and I send our Blessed Greetings to Bishop and Sister Clarke as well as the Church of God of Prophecy Delegation of the Mid-Atlantic Region of North America.

As we continue on the path of the Breakthrough, we are looking to see the evidence in every area of life. Bishop Clarke has chosen to emphasize Breakthrough in Church Multiplication – let us consider every open door before us as an opportunity to serve the communities and people that are so dear to God, our Father. As Jesus told his disciples, “The harvest is plentiful, but the laborers are few” (Matthew 9:37).

May this convention be filled with great joy and Spirit anointed ministry. May the family fellowship be rich, and let this be the time you are refreshed and rejuvenated for the task at hand. May God bless you and prosper you, and keep you in our prayer.

Sincerely,
Sam N. Clements
General Overseer

GREETINGS FROM NORTH AMERICA **GENERAL PRESBYTER** *Church of God of Prophecy International Offices*

Blessed greetings to all,

The Church of God of Prophecy has certain distinctives which we hold dear; one of which, is our sense of "family." Throughout this convention, many will share a meal with friends. Talk and laughter will be heard in the hallways. Voices will be united in prayer, worship and song. You will feast on the Word, talk of all His wondrous works and learn from one another. Vision and priorities will be shared and the business of the Church will be enriched by joint participation so that at the conclusion of this time together, you will leave encouraged, energized, and focused on a common cause.

The one thing that will set this convention apart from other gatherings will be those unrehearsed, unscripted, undeniable breakthroughs of the Holy Spirit. I am confident that God has a fresh Word, a transforming touch and a compelling challenge waiting just for you.

As you lift your voices in praise to God, consider it a precursor to a future gathering in which ten thousand times ten thousand, and thousands of thousands from every kindred, and tongue, and people, and nation will be saying with a loud voice, Worthy is the Lamb that was slain to receive power, and riches, and wisdom, and strength, and honor, and glory, and blessing (Revelation 5:9-12).

Serving together,
Tim Coalter
North America General Presbyter

BISHOP HECTOR ORTIZ, PH. D *Mid-Atlantic Region of North America*

Greetings to the Mid-Atlantic Regional Convention!

Blessed greetings to the Mid-Atlantic Regional Convention to whom we bless with a fervent hope that grace and peace will overshadow one and all from our Triune God.

It is a blessing for Sister Ortiz and me to be afforded the privilege and honor to be the official representative to this regional convention. It is my fervent desire that we will be blessed in worship fellowship and pneumatic visitation that will transform lives and bring a fresh renewal in reaching deeper depths in our Lord and reaching many for Christ. My prayer is "Come Holy Spirit, Be Our Guide." May times of refreshing come from the divine presents of our blessed Lord.

Sincerely,
Bishop Hector Ortiz, Ph. D

New Tools for Study of the Word of God. Discover how electronic Bible Study deepens biblical insight and impact. Pastor Jon Westra, the National Presenter for Logos Bible Software, has pastored for 26 years. His pastoral experience includes a Cleveland church in racial transition, two church plants in Phoenix, and an established church in Washington State. Pastor Jon will show how using a tool like Logos will help students, teachers and Pastors come close to the original language, and how many interactive tools bring out the best in study and presentation. Pastor Jon started to seriously use Logos seven years ago, and his congregation noticed the difference with comments like, "You are studying more, aren't you?"

God's Blessings,
Jon Westra
