

Greetings from your Regional Overseer

It is our distinct privilege and honor to extend warm Christian greetings to all the Leadership, Laity and Friends of the Mid-Atlantic Region. God in His divine providence saw it fit for us to be in this region serving as your Presiding Bishop. We are excited and yet humbled by the tremendous challenges and responsibilities; however, we continue to lean on the Lord for His grace and divine enablement.

The theme for the convention year is “Breakthrough to Holistic Church Multiplication,” deduced from Acts 2:46-47. The context of this passage deals primarily with the effects of the Holy Spirit on the life of the Apostolic Church. We observe from the text tremendous principles that will help us as we embark on ‘holistic church multiplication’ in this 21st century. Stress has been placed upon fellowship, one accord, praise to God, gladness and singleness of heart, and having favor with all people, then comes: “the Lord added to the church daily such as should be saved.”

It is quite clear that as we strive to fulfill these Biblical Principles, we will experience daily multiplication. It is my prayer that we will re-examine these Biblical Principles laid out in this passage with a fresh approach, and trust the Lord to cause the same kind of multiplication to take place among us.

We pray that you will be renewed in your experience with the Lord and be challenged to go forth and spread the Good News of the gospel to a hurting world in our communities during the next two years.

Sincerely,

*Levi Clarke & Floreth M. Clarke
Regional Presiding Bishop
