## Special Breakout Sessions

Palma Hutchinson, former International Youth Director will be sharing personal insights on "What's Happening" in Youth Ministry today. Palma's extensive life experience

and ministry assignments especially qualifies her to inspire students, and give special resources and instructions to Youth Leaders and staff. This session will be EXTRAORDINARY! Pass the word! All Directors, staff, and youth will want to be a part of this special breakout session.

John & Dr. Cathy Payne are certainly no strangers to this part of the world. In fact, they may well be the best known ministry couple around the world in our church circles and beyond. Sister Cathy's current position gives her an extremely

personal insight on the mission work of the church around the world. You can expect this breakout session to be inspirational and informative. Pastors and Mission Leaders should especially appreciate what will be coming our way as Cathy shares a review of some of the mission work around the globe.
