

Arkansas Youth Development Institute

Course Listings and Training Hour Equivalents

The following is a list of all courses currently offered thru the Arkansas Youth Development Institute along with the assigned number of training hours credit assigned for each course. Though the time that it takes individuals to complete each course will vary, the number of training hours assigned to each course will not. Within 6 weeks of completion of a course, the participant will receive a personalized training certificate with the assigned training hour equivalent noted on the certificate. If a participant is interested in the training posting to their TAPP Training Transcript, they will need to contact Jennifer Harris at ydi@aosn.org. Only individuals that forward their certificate of completion **and** fill out the appropriate TAPP attendance and evaluations forms will be able to have their YDI training courses and subsequent hours post to their TAPP Training Transcript.
