Purpose of the Project!

The idea behind the project is to get folks at Crossroads Christian Church together outside of the church building. It is not to take the place of small groups. Our goal is to nurture the congregation by getting to know each other better and to grow in fellowship.

Option #1-Dinner in at a home. If you are willing to host a dinner in your home we ask that you provide the main dish with the rest of the group bringing the side dishes. Normally you can plan on six people when meeting in the home for dinner.

Option #2-Circle one or more from the options list

Be sure to pick at least one of the day options.

There will be a sign up sheet each month, and new groups will be formed so that you will have an opportunity to meet with other individuals.

You are not obligated to participate every month.
