✧ Spring into Kidmo Ministry ✧

Welcome to the new Kidmo Newsletter! This will keep you up to date with all the events and goings on of our K-5th grade Student Ministry. On the side we have our volunteer needs and below is a snap shot of upcoming events that you can plan to attend.

We have some great events planned for this spring and summer for our K-5th graders and for the whole family!

Family Camp Night

Sunday April 17th 6-8PM. A representative from Hanging Rock will be here with their bounce house and to talk about summer camp. We will have s'mores and sing campfire songs. The whole family is invited to this one!

Canned Food Drive.

Working with our teens in the Jam who are participating in 30

Hour Famine, we would like you to help us collect canned food for our local food pantry. Bring in your non-perishable canned food items every Sunday in April and earn extra points in the Kidmo games that day!

Parent's Chat Room.

Starting Sat. May 28th from 11-12:30PM we will be starting a forum for our parents of K-5th graders to get together and share wisdom and experience with each other. A light lunch will be served and childcare is available upon request.
