

Why should you give online?

Online Giving is Convenient — You pay your bills online because it is convenient and secure. Now you can submit your contributions just as easily and quickly.

Online Giving is Consistent — You can set up recurring contributions that are processed automatically. Of course, you can change or stop automated giving at any time. You can even request reminders in advance of the dates you set, so that you can make changes as necessary.

Online Giving is Intentional (even Biblical) — While there is always a place for giving in response to a need, giving also needs to be planned as part of the Christian life, not leaving it to chance.

Online Giving Builds Perspective — Giving at the same time you pay your bills sets your gift in relation to your total financial activity. When compared with spending on other areas of living, you can easily evaluate your stewardship of all your resources.

Online Giving Provides Quick Information — At any time, you can view what you have given within a date range, including both online giving and all contributions made by other methods. You can even print a statement!

Online Giving is Protected — All transactions are encrypted and transmitted at the highest level of security possible. Access to donor information is restricted, with a unique login and password for each donor.

Online Giving is Easy — Just follow these five simple steps:

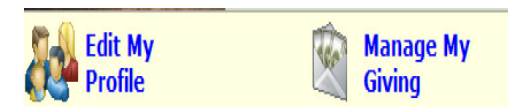

1. Notify our office of your interest in online giving and include your home e-mail address.
2. We will create an online account for you and send an email notice of how to access it. (Once defined, you can also access your account from a link on our regular website.)
3. The first time that you open your account, you should change your password.
4. Click on Manage My Giving and follow the onscreen instructions.
5. At the end of the process you will be prompted to indicate if this is a one-time gift or a recurring gift. Also, during the giving process, you will be prompted to select a bank account. If you do not have a bank account defined, you will be able to create it during the giving process.

We have partnered with Logos Management Software, Inc. to provide this service to our donors. Logos has been providing quality resources to churches and nonprofit organizations since 1980 (www.logoscms.com).

How do I begin?

In order to ensure the security of the site, online accounts are issued by Crossroads Christian Church. If you would like an online account, complete the information at the bottom of this brochure and submit it to the address on the front of this brochure or drop it in the collection plate or send the information directly to our financial secretary, Stephanie Guinn, (guinnfamily@frontier.com). You will receive an email with your account information once created.

To login to the site, follow the link to online giving as instructed in your confirmation email. In the email box, type in the email address that your account was established with. Type in the password that was included in your confirmation email. We recommend that once you've logged in, click on the Change Password link in the upper right corner, next to the help icon, to update your password. To begin the giving process, click on the Manage My Giving link just below the banner.

Select the Fund you wish to contribute to by checking the box. An amount field will appear next to the fund; enter the dollar amount you wish to give. Upon completion, click **Next** the bar above the funds.

Please select the item(s) and the amount you wish to contribute

Special Gifts/Donations		Amount	Next
<input checked="" type="checkbox"/>	General Offering & Tithe	\$ 0.00	
<input type="checkbox"/>	Missions Fund		
<input type="checkbox"/>	Web Fund		

You will now be prompted to select your bank account. If one does not exist, click on Add Accounts

Please select an account or click Add to create an Account and click Next:

Add Accounts	Cancel	Next
--------------	--------	------

Your total gift/donation is: \$10.00

How do I begin, continued...

The next screen allows you to define whether or not the contribution will be a **One-Time Gift** or a **Recurring Gift**. If you select One-Time, the money will be processed immediately out of your account. No additional transactions will occur. If you select **Recurring**, you will be prompted to define the **Frequency**, **Type**, and **Starting Date**. If you select Date Range as your Type, you will also be prompted for an **Ending Date**.

Upon completion, click on **Process Transaction**. You will be asked to confirm and authorize your donation. Once authorized, a receipt page will display for you to print.
