### SPRING/SUMMER SERIES - D.I.S.C.I.P.L.E.

**Daring** - When you look at the Bible, you realize that anytime someone said “Yes” to following God, their lives were radically altered.

**Intentional** - Following Jesus isn’t accidental.

**Sacrificial** - Being a disciple involves leaving some things behind.

**Committed** - At some point in the walk of faith we are called to commit.

**Inclusive** - There is nothing like meeting Jesus and learning to follow after him that so confronts our prejudice and judgementalism.

**Public** - Though our faith may seem to be a private matter, there is nothing in the Bible that suggests our

discipleship is only a matter between us and God.

**Life-long** - There are numerous comments made by Jesus and later by the Apostles that suggests that a true believer is one who follows to the end.

**Engagement** - Jesus didn’t come to take us out of the world, but rather to conquer our enemy the devil, keep us from evil, and send us out to bring in the Kingdom of God.

# ROATAN MISSION TRIP

**Roatan Mission Trip  
July 17th-24th 2017**

We have a team of 18 people going on this trip to support the ongoing work of the Greenfield Children’s Home at Sandy Bay in Roatan, Honduras. The Children’s Home is expanding the school they run for children living on site. In addition, they hope to expand the school to include service to children in the surrounding neighborhoods near the school. They need more space as the population of their home grows

and as the children are growing and needing specialized schooling in the arts and sciences. They are beginning to build the new portion of the school this spring. Our team will arrive this summer in July to continue the construction. We desire to help our team get there, and to **provide funds for the construction project** they will be doing.

The children at Greenfield are incredibly fortunate to have a school on their property that actually has a curriculum, and teaches them English. Children who learn to speak English in Roatan have a much better chance to earn a living in the tourism trades, working for Cruise ships, and other international businesses. They can go to college or trade schools and have opportunities others simply don’t have. Greenfield not only feeds and houses these former street kids, but sets them up to succeed on many levels. And the greatest blessing is that they learn about the love of God for them and they can come to know Jesus.

**Please pray for the team as they serve in Roatan, Honduras.**

Stone’s Cove KitBar will be donating 10% of their sales on Sunday, July 2nd toward the Roatan Mission trip! Please consider stopping by that day to help support our team.
