Women's Ministry

The Women's Ministry of Harford Community Church believes that all women have value in God's eyes. We want to provide a spiritual pathway for growth and development by creating an environment where women can find love, acceptance, and encouragement. We will honor God by enriching the lives of others as they reach beyond themselves to a community and a world that needs to know Jesus Christ.

Uplifting Events

This ministry is designed to provide women with an opportunity for spiritual growth, fellowship and discipleship through outreach events and retreats. Our mission is to provide refreshing events that renew our spirit, revive our walk, and rekindle the fire as we praise and exalt our Lord.

Woman to Woman Mentoring

This ministry incorporates friendship and discipleship as two Christian women encourage and support one another. Our mission is to enhance the Christ-centered journey of women through developing mentoring relationships – woman to woman. The Bible tells us that a wise woman seeks advice and information from those who know more than she.
