A Word from the Committee.....

The Publicity Committee of the Church of Christ at Bouldercrest would like to thank each and every one of you for your contributions to this 'Resource Directory'. Your input has made it easier to visualize and see what resources are available that we share and can benefit from at this congregation. Without you, it would not have been possible!

A 'very special thank you' to Sisters Rose Sheppard and Wanda Lewis who used their combined, God-given business and professional skills and talents to collate the information received into this refined finished product. May God continue to bless and keep each of you in His loving care by showing you favor with your business endeavors!

In HIM.....
