## From the Minister's Desk

### EQUIPPING THE SAINTS

Edward L. Keyton  
Senior Evangelist

The apostle Paul, in his letter to the church at Ephesus, lays out the purpose of the gifts to the church and to respective members. Though he speaks to the collective church, we do well to receive this message personally, particularly, Chapter 4:11 as viewed beside I Corinthians 12:12-31. There are very specific gifts, talents and abilities within the body of Christ and within any given congregation of the Lord's Church.

Quite often, members are not able to readily identify their respective ability within the realm of ministry. What we can know immediately is that all Christians should be committed to self development for the cause of Christ and for our own spiritual growth. In II Timothy 2:14-19, the apostle Paul's directive to the evangelist, Timothy, was that he be a student of the word. This, you see, is for all disciples, for all time. We are to be continuous learners of God's word.

King David, the sweet psalmist of Israel, said it well in Psalm 119:11, "Thy word have I hid in mine heart, that I might not sin against thee." Refusing to study or to advance for the cause of Christ is tantamount to being slothful in the business of the church (see Romans 12:11). Therefore, if the church as a whole is to be properly equipped, it is the responsibility of every saint to do his/her part in developing self. In so doing, you are contributing to the development of the body.
