*Our Goal  
Spiritual Maturity  
with Integrity*

## From the Minister's Desk

The book of Jude 20-25 is short but powerful and very much to the point of the need for individual spiritual development. Jude points out, in a very gentle, fatherly tone, the things that we need to do to maintain good fellowship with the Lord.

Edward L. Keyton  
Senior Evangelist

- Keep oneself in the love of God. Adhere to God's Word in unselfish allegiance and sacrificial living.
- Work at your faith, which means to walk in faith and stand on faith as your foundation for right thinking. The Apostle Paul speaks of the sacrifice and service of your faith in Philippians 2:17.
- Give constant attention to prayer (verse 20). James also concurs in James 5:16 *"...the effectual fervent prayer of a righteous man availeth much."*
