## *2017-2018 Tuition and Fee Schedule*

<b>Registration Fees:</b>	Parents/guardians pay a non-refundable registration fee of \$425.00 for the first child. This fee is for both returning students and newly accepted applicants. For families with multiple children, parents/guardians pay a non-refundable fee of \$125.00 for each additional child. Failure to pay the registration fee by the specified date may result in forfeiture of being on the school's roster for the 2016-2017 academic year.
<b>Discounts:</b>	For families who enroll more than one child, the oldest child pays full tuition. Each additional child will receive a 10% discount. All children pay enrollment fees.
<b>Payment Method:</b>	FACTS (an automated electronic withdrawal) is the mandatory method of payment for all tuition not paid by August 1 <sup>st</sup> , 2017. Families already enrolled in FACTS will be automatically rolled over to the current year. All others can enroll using the FACTS link on our website.
<b>Tuition Insurance:</b>	For all families using FACTS there is a tuition insurance charge of 2.3% of tuition. This amount will be included in the monthly charge through FACTS. This insurance reduces your obligation to the school by 60% of the remaining tuition.
<b>Financial Aid:</b>	Families applying for financial aid should apply through FACTS Grant and Aid thru our school website. This must be submitted before July 1 <sup>st</sup> of 2017. Students re-enrolling should apply for financial aid before March 15, 2017.
