

## Fourth Grade Summer Reading

This summer you are being asked to participate in a Reading Challenge! Inside the front cover of your *Reading Challenge Journal* you will find a list of types of books to choose. You need to read three books that meet the challenge requirements and write a book review in your journal. Your review should be 5-7 sentences in length, have proper *spelling, punctuation, and capitalization*, and be written in your *neatest* cursive handwriting. On the back inside cover of the journal, you will find suggestions on what to include in your book review. You need to answer at least two from the “Points to Ponder” category and one from each of the other categories. Please take great care of your journals as we will continue the Challenge throughout the school year (prizes may be earned!!!). Happy reading to you!

**\*\* Please stop by the front office to pick up a copy of your *Reading Challenge Journal*.**
