

ADMISSIONS

All students applying for admission must take an Entrance Exam. This academic assessment process is necessary to determine whether students are academically prepared for the grade level for which they are applying. After Admissions has received the application and fee, the results of the exam, and school records, a parent interview with your student will be arranged with the Headmaster. Trinity is open to academically qualified students exhibiting good character without reference to race, nationality, or color, provided the family supports the child's instruction in the school's Statement of Faith.

STUDENT ACTIVITIES : Student Council, Student Yearbook, Drama Club, Band, Language Clubs / International Travel, High School Spring Formal, Science Fair, Regional Art Shows & Contest

CHRISTIAN WORLDVIEW EDUCATION

Through the foundation of Biblical truth, the integration of Christian principles, the teaching of a dedicated Christian faculty, high academic standards, and a wholesome Christian environment, TCA is educating and equipping students to become leaders for the glory of God.

COLLEGE PREPARATORY PROGRAM

Our college-preparatory curriculum is taught from a Biblical perspective by our dedicated high school faculty. Core subjects include math, science, English, history, Bible, world languages, physical education/health, and creative arts. PSAT & AP exams are administered at Trinity. Dual enrollment is available through *Sevenstar On-line Academy*, *Grand Canyon University* and locally at *Cape Cod Community College*. Seniors will participate in a Senior Thesis research project.

Trinity Christian Academy graduates have a 100% acceptance rate into the colleges of their choice. Graduates have been awarded many scholarships and grants as well as merit based scholarships from independent organizations.

CREATIVE & STUDIO ARTS

High School Art classes include: Foundations 1 & 2, Art 3 & 4. Both courses have two or more Studio Art sessions and one Art History lecture. Students will explore drawing, painting, ceramics and sculpture. Art students will gain an understanding of Art through the ages using a Godly video program and extensive resources in the art room and museum visits. Individualized studies are possible in Art 3 & 4 based on student goals and interests.

Creative Arts	1 Credit
Community Service	100 Hours

Total Credits : 24

LEADERSHIP DEVELOPMENT

Trinity Christian Academy inspires young men and women to discover their God-given gifts and explore ways to put these gifts to work in

the world around them for the glory of God. They gain a clear understanding of how to stay aligned to their **True North** in all aspects of their lives: their vocation, interpersonal relationships, and relationship with Christ. TCA's Leadership Development Curriculum guides students to embrace the message of Christ in their daily lives so they can become confident, influential leaders. Students are empowered with a comprehensive biblical worldview through a scripture-infused curriculum, training them to become well-spoken Christian leaders equipped to share their faith with others and exude a passion for Christ.

HIGH SCHOOL PHYSICAL EDUCATION

This course is designed to provide students with the opportunity to apply cooperative skills in the area of team sports. The course will include the following team sports: soccer, ultimate Frisbee, volleyball, basketball, and pickle ball. Students will learn and review rules, strategy, skills and basic fundamentals of each team sport. The PE class will incorporate fitness concepts and activities to enhance their health and well-being. Students will be evaluated on effort, attitude, ability to follow rules, active participation and good sportsmanship.
