

Summer Reading: Bible 11-12

Instead of summer reading in this course, you have ***summer memorizing***. Mr. Porter requires you to ***memorize Psalm 19*** to get ready for next year's class, "Interpreting the Bible". This psalm's reverential attitude toward God's word provides the tone for our course. Please use the NIV in your memory work (the 2011 version).

Mr. Porter will ask students to write Ps. 19 from memory on the first day back to school.
