

Fourth Grade Summer Reading

This summer you are being asked to participate in a Reading Challenge! Inside the front cover of your *Reading Challenge Journal* you will find a list of types of books to choose from. You need to read three books that meet the challenge requirements and write a book review in your journal. Your review should be 5-7 sentences in length, have proper *spelling, punctuation, and capitalization*, and be written in your *neatest* cursive handwriting. On the back inside cover of the journal, you will find suggestions on what to include in your book review. Choose at least one question from each of those sections to help you write your paragraph. It should be a summary of the book. Be sure to fill out the top portion of each page so that you can get credit on our class reading incentive chart.

This challenge will continue throughout the school year and prizes will be given to students who complete at least 20 of the available categories by the June 1, 2019!

To receive your copy of the *Reading Challenge Journal*, please contact the school office at 508-790-0114.
