## STEWARDSHIP OPPORTUNITIES

Trinity Christian Academy (TCA) is a nonprofit 501 (c) (3) organization and is funded through tuition, gifts and fundraising. The goals of the Development Office are to generate financial support for TCA and to work with the families and staff in furthering its mission. At Trinity, we believe when we share areas of need we are simply providing stewardship opportunities to families, friends and alumni. We recognize our responsibility to apply Scripture to all aspects of our development efforts. It is the school's desire to fulfill Matthew 6:33 in the deepest sense: *"But seek first His kingdom and His righteousness; and all these things shall be added to you."*

Scripture teaches us to be good stewards with what the Lord has given us. *Psalm 24:1* teaches us everything we have belongs to the Lord. Stewardship is living a lifestyle based upon an understanding of God's provision in all areas. When we understand stewardship, it results in giving a portion back to Him.

## TIME, TALENTS & TREASURES

There are many opportunities to give of your time, talents and treasures at Trinity Christian Academy. One may have the means to give generously of their finances, while another is called to contribute their time and talents. In either case, each person is making a significant contribution to the mission of the school and is helping us to provide a quality Christian education that is affordable. We encourage you to pray about these opportunities and how the Lord wants you to be involved. Together we can make a difference for the students and staff at Trinity Christian Academy.
