

Trinity Christian Academy 2012-2013 Tuition and Fees Schedule

Registration Fees:	Non refundable fee of \$420.00 per child (Please see the registration form for details)
Discounts:	For families who enroll more than one child, the oldest child pays full tuition. Each additional child receives a 10% discount. All children pay appropriate enrollment fees.
Tuition Insurance:	This is a mandatory tuition insurance charge of 2.6% of tuition for parents who do not pay the entire tuition in one payment. This fee will be included in the FACTS payment plan. If, for any reason, your student(s) leave(s) school during the school year, this reduces your obligation to one-half of the remaining tuition rather than the full amount.
Payment method:	The FACTS (automatic electronic withdrawal) is the mandatory method of payment for all tuition not paid in full by August 1, 2012. Families already enrolled in FACTS will be automatically re-enrolled after the registration fee is paid.
Financial Aid:	Families applying for financial aid should fill out a FACTS form each year. These can be submitted anytime before July 1 st . Currently enrolled students should apply before March 23, 2012. www.factstuitionaid.com (Please review the financial aid process on the reverse side)
