2012-2013

Attention, Recruits! We want YOU to join recruits, Boston and Beans, as they seek to join one of the most elite military units of all time. Each week, Sergeant Niece teaches them lessons from the life of Joshua. Fall in rank and join the training, as we learn to keep step with the life of Joshua. Ten Hut!

Welcome aboard the only hotel and resort in orbit around the earth! The Starlight Station staff will do their best to make your visit here out of this world. During your stay, you'll join Sprocket McCracken, the Director of Starlight Station, as he learns many ways to be a servant leader. You will also be a part of our daily briefings which will walk you through the life of Joseph. Strap in and hold on for an out-of-this-world experience at Starlight Station.

THE STORY  
POWERED BY ZONDERVAN

We need to know where we came from. Knowing connects us, links us, bonds us to something greater than we are. Knowing reminds us that we aren't floating on isolated ponds but on a grand river.

That's why God wants you to know his story. Framed photos hang in his house. Lively talks await you at his table. A scrapbook sits in his living room, brimming with stories. Stories about Bethlehem beginnings and manger miracles. Enemy warfare in the wilderness and fishermen friends in Galilee. The stumbles of Peter, the stubbornness of Paul. All a part of the story.

But they are all subplots to the central message: "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life" (John 3:16). This is the headline of the story: God saves his people!
